Black Preaching:

The Heart of Black Preaching Cleophus James LaRue, 2000-01-01 LaRue provides important insights on why black preaching is strong and active and connects with the real life experiences of listeners Christian **The Heart of Black Preaching** Cleophus J. LaRue, 1999-11-01 Cleophus LaRue argues that the extraordinary character of black preaching derives from a distinctive biblical hermeneutic that views God as involved in practical ways in the lives of African Americans This hermeneutic he believes has remained constant since the days of slavery LaRue analyzes the distinct characteristics of African American preaching and brings the insights of both theory and practice to bear on this important subject matter

Interpreting God's Word in Black Preaching Warren H. Stewart, 1984 To assist the preacher with the task of interpreting and communicating the Word so that it will be relevant and understood by the congregation Dr Stewart presents a well defined five point study of the hermeneutical process **The Spirituality of Black Preaching** Lewis Bogdon, 2016-03-28 As a scholar of the Bible and the Black Church Brogdon seeks to help young African American preachers effectively integrate biblical studies and homiletics integrate in ways that deepen sermons stimulates faith in the context of worship and strengthen churches as they seek to give witness to the gospel of Jesus Christ He seeks to provide the hundreds and thousands of African American ministers who will never attend seminary or a university yet will touch hundreds and thousands of lives with the resources they need for effective life changing preaching *Introduction to the Practice of African American Preaching* Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author s enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice *Voices in the Wilderness* John L. Thomas Jr., 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is

accessible to the average reader but also contributes to the academic conversation about both style and theological content. Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods. Starting with the brutality of chattel slavery, early formations in segregated Southern life, rapid migration to and urbanization in Northern cities, and various events throughout the post-civil rights era, the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change. At the heart of the book, three prime examples are presented as models of the real genius of Black preaching. The reader will never again think about Reverend Martin Luther King Jr., Malcolm X, and the Reverend Jesse Jackson in the same way. A special chapter is devoted to the contributions of Black women preachers, along with a closing chapter that makes new proposals for the future. The book is a provocative and critical analysis of why Black preaching still matters.

Black Preaching, 1979. Transcripts of representative sermons are used to illustrate an appraisal of the language and style of the Black preaching tradition.

John Black, George Bryce, 1898. **The Black Preacher in America**, Charles V. Hamilton, 1972. From Nat Turner to Malcolm X, Martin Luther King Jr., and Jesse Jackson, from the rural South to the Northern ghetto, Black ministers have always been the leaders of their people. Here is the first in-depth portrait of Black America's preachers, from the least known to the most influential. Their story begins in the time of slavery and ends with their fears and hopes for the future. It is told by a distinguished professor who, with Stokely Carmichael, wrote *Black Power*.

Teaching Preaching, Katie Geneva Cannon, 2007-10-15. If you ain't got no proposition, you ain't got no sermon, neither. This was the battle cry of Isaac Rufus Clark, one of the most influential and colorful professors of homiletics in the Black church in the twentieth century. Clark taught at the Interdenominational Theological Center in Atlanta for twenty-seven years, 1962-1989. In *Teaching Preaching*, Katie Cannon, one of Clark's myriad preaching protégés, conceives her role as purely presentational, to bring Clark face-to-face with a reading audience, allow him to explain the formal elements of preaching from the inside out. *Teaching Preaching* is an invaluable resource for ministers who struggle from Sunday to Sunday to find their ethical voice in the preparation of each and every sermon.

More Power in the Pulpit, Cleophus J. LaRue, 2009-04-20. In this companion and sequel to the best-selling *Power in the Pulpit* (2002), which has sold over 11,000 copies, more of America's best-known and most influential African American preachers describe how they go about preparing their sermons. Each preacher also presents a sermon that highlights his or her particular method of sermon preparation. This book is an excellent how-to manual for pastors and students, presenting sage advice and wisdom on the art of preaching and an inspirational look at the work of some of the most prominent figures in the life of the Black church.

Black Preaching, Henry H. Mitchell, 1990. Henry H. Mitchell has completely revised and integrated his popular books *The Recovery of Preaching* and *Black Preaching* for seminarians and pastors, both Black and White, who are seeking to add power and vision to their sermons. Mitchell persuasively demonstrates that Black culture and preaching style are vital for

the empowerment of Black congregations and have much to offer the preaching method of all preachers By focusing on the use of storytelling imagination and style of preaching rooted in African American culture Mitchell spotlights effective techniques for lively preaching **Preaching in Ebony** ,1981 *This is My Story* Cleophus James LaRue,2005-01-01 African American women continue to confess their call to ministry even when they know such a confession may cause them to face criticism and even ostracism from many of the same men and women who nurtured them in the faith In *This Is My Story* thirteen successful African American women clergy tell the powerful inspirational and sometimes heartbreaking stories of their calls and ministerial journeys which they experienced in the midst of anguish uncertainty and in many cases unfriendly leadership environments Each of the women includes a sermon of particular importance to her **The Canadian Baptist** ,1903 **The Homiletic Review** ,1904 **The Homiletic review.
