### **Chapter 3 Changing Fortunes Mexico And Mexican Us Migration:**

*Migration in an Era of Restriction and Recession* David L. Leal, Nestor P. Rodríguez, 2016-05-18 We live in an age of global migration The number of immigrants worldwide is large and growing At the same time public and political reactions against immigrants have grown in the US the UK Canada and other traditional and non traditional receiving nations In response to this trend this book assembles an interdisciplinary group of scholars to better understand two dimensions of contemporary immigration policy a growing enforcement and restriction regime in receiving nations and the subsequent effects on sending nations It begins with three background chapters on immigration politics and policies in the United States Europe and Mexico This is followed by eleven chapters about specific receiving and sending nations four for the United States three for Europe and four for the sending nations of Mexico Turkey Peru and Poland This selection of cases and the multidisciplinary approach provides a unique perspective that supplements more standard case studies and disciplinary research By discussing a greater range of nations and topics the global consequences of increased deportations stronger border security greater travel restrictions stagnant economies and the loss of remittances this volume fills a significant gap in the current body of literature As such this book is of interest to immigration policy scholars and students of all levels as well as individuals in think tanks advocacy communities the media and governments
