Chapter 5 Functions And Parameter Passing Yale University

American Chemical Society

Chapter 5 Functions And Parameter Passing Yale University:

The Mulatta and the Politics of Race Teresa C. Zackodnik,2009-09-18 From abolition through the years just before the civil rights struggle began African American women recognized that a mixed race woman made for a powerful and at times very useful figure in the battle for racial justice The Mulatta and the Politics of Race traces many key instances in which black women have wielded the image of a racially mixed woman to assault the color line In the oratory and fiction of black women from the late 1840s through the 1950s Teresa C Zackodnik finds the mulatta to be a metaphor of increasing potency Before the Civil War white female abolitionists created the image of the tragic mulatta caught between races rejected by all African American women put the mulatta to diverse political use Black women used the mulatta figure to invoke and manage American and British abolitionist empathy and to contest racial stereotypes of womanhood in the postbellum United States The mulatta aided writers in critiquing the New Negro Renaissance and gave writers leverage to subvert the aims of mid twentieth century mainstream American culture The Mulatta and the Politics of Race focuses on the antislavery lectures and appearances of Ellen Craft and Sarah Parker Remond the domestic fiction of Pauline Hopkins and Frances Harper the Harlem Renaissance novels of Jessie Fauset and Nella Larsen and the little known 1950s texts of Dorothy Lee Dickens and Reba Lee Throughout the author discovers the especially valuable and as yet unexplored contributions of these black women and their uses of the mulatta in prose and speech Teresa C Zackodnik is a professor of English at the University of Alberta in Canada [Cowles Foundation Discussion Paper Yale University](#).
