Stories Stefan Zweig,1981 **Diary of a Foreigner in Paris** Curzio Malaparte,2020-05-19 Experience postwar Europe through the diary of a fascinating and witty twentieth century writer and artist Recording his travels in France and Switzerland Curzio Malaparte encounters famous figures such as Cocteau and Camus and captures the fraught restless spirit of Paris after the trauma of war In 1947 Curzio Malaparte returned to Paris for the first time in fourteen years In between he had been condemned by Mussolini to five years in exile and on release repeatedly imprisoned In his intervals of freedom he had been dispatched as a journalist to the Eastern Front and though many of his reports from the bloodlands of Poland and Ukraine were censored his experiences there became the basis for his unclassifiable postwar masterpiece and international bestseller Kaputt Now returning to the one country that had always treated him well the one country he had always loved he was something of a star albeit one that shines with a dusky and disturbing light The journal he kept while in Paris records a range of meetings with remarkable people Jean Cocteau and a dourly unwelcoming Albert Camus among them and is full of Malaparte s characteristically barbed reflections on the temper of the time It is a perfect model of ambiguous reserve as well as humorous self exposure There is for example Malaparte s curious custom of sitting out at night and barking along with the neighborhood dogs dogs after all were his only friends when in exile The French find it puzzling to say the least when it comes to Switzerland it is grounds for prosecution **Current Trends in Language and Culture Studies** Yves-Antoine Clemmen,Margit Grieb,Will Lehman,2013 This volume includes selected papers from the 20th Southeast Conference on Foreign Languages Literatures and Film held on March 2 3 2012 at Stetson University in DeLand Florida It represents a cross section of current approaches to questions of violence and trauma identity subjectivity and the national race and gender and teaching in foreign languages literatures and film **Diary of a Man in Despair** Friedrich Reck,2013-02-12 Hailed as one of the most important works on the Hitler period this is an astonishing compelling and unnerving portrait of life in Nazi Germany between 1936 and 1944 from a man who nearly shot Hitler himself The New Yorker Friedrich Reck might seem an unlikely rebel against Nazism Not just a conservative but a rock ribbed reactionary he played the part of a landed gentleman deplored democracy and rejected the modern world outright To Reck the Nazis were ruthless revolutionaries in Gothic drag and helpless as he was to counter the spell they had cast on the German people he felt compelled to record the corruptions of their rule The result is less a diary than a sequence of stark and astonishing snapshots of life in Germany between 1936 and 1944 We see the Nazis at the peak of power and the murderous panic with which they respond to approaching defeat their travesty of traditional folkways in the name of the Volk and the author s own missed opportunity to shoot Hitler This riveting book is not only as Hannah Arendt proclaimed it one of the most important documents of the Hitler period but a moving testament of a decent man struggling to do the right thing in a depraved world
