There are two methods: **Direct characterization** = When the writer states or describes a character's traits. **Indirect characterization** = When the writer shows a character's personality through his or her actions, thoughts, feelings, words, and appearance, or through another character's observations and reactions.

**cliché** = Trite or overused expression or idea, like *wise as an owl, be there for someone, he didn't know his own mind, see the writing on the wall, making the best of it*.
