**Report**, 1962      **Assessment and Intervention Issues Across the Life Span** Stephanie M.C. Dollinger, Lisabeth F. DiLalla, Stephanie MC Dollinger, 2013-06-17 This volume evolved from the second life span development conference held at Southern Illinois University entitled Assessment and Intervention Across the Lifespan Providing an overview and consideration of important directions for research in areas of assessment and intervention across the lifespan the presentations covered a variety of topic areas including social ecology cultural diversity attitudes about aging as well as attention visual and linguistic skills This volume consists of chapters based on the conference presentations as well as additional chapters by experts in related specialty areas discussing attachment theory learning disabilities and phonological processing The second conference and volume continue the work of the first conference and its associated earlier volume The chapters cover important interactions between assessment and intervention for each major developmental period several emphasize the importance of early assessment and intervention A common theme found throughout is the critical connection between basic research and practice The editors hope this book will prove useful not only to researchers but also to practitioners in related disciplines working with individuals of all ages

**The New Corporation** Joel Bakan, 2020-09-22 A deeply informed and unflinching look at the way corporations have slyly rebranded themselves as socially conscious entities ready to tackle society's problems while CEO compensation soars income inequality is at all time highs and democracy sits in a precarious situation A very important book an arresting study directed to a central issue of the times Noam Chomsky from the author of *The Corporation: The Pathological Pursuit of Profit and Power* Over the last decade and a half business leaders have been calling for a new kind of capitalism With income inequality soaring wages stagnating and a climate crisis escalating they realized that they had to make social and environmental values the very core of their messaging The problem is corporations are still first and foremost concerned with their bottom line In lucid and engaging prose Joel Bakan documents how increasing corporate freedom encroaches on individual liberty and democracy Through deep research and interviews with both top executives and their sharpest critics he exposes the inhumanity and destructive force of the current order profit driven privatization subverting the public good governments neglecting duties to protect the environment the increasing alienation we experience as every aspect of life is economized and how the Covid 19 pandemic lays bare the unjust fault lines of our corporate led society Beyond diagnosing major problems in *The New Corporation* Bakan narrates a hopeful path forward He reveals how citizens around the world are fighting back and making gains in ways that bolster democracy and benefit ordinary citizens rather than the corporate elite
