

The Art of Living // Chapter 2 Notes
Megan Cooper

1. Philosophy and Life

- What it says: "The philosophical question that drives his search is the personal question of how he himself should and the more general question of how one should live."
- What it means: I related this back to Matthew speaking on how Jesus went about preaching and teaching to people, telling them how to live out their lives. This related back to how Jesus lived His life because He never asked them to do something that He could not or would not do Himself.

2. Care of Oneself in the *Apology* and *Alcibiades I*

- What it says: "...trying to persuade you...not for your bodies or for your possessions, but for the highest welfare of your souls", "-like other arts or crafts – it is an activity guided by knowledge of its subject matter..."
- What it means: The first quote and section remind me of an evangelistic mindset, like how Jesus wanted the disciples to go out and help others find Christ. The second quote reminds me of what the disciples are supposed to do. Disciples are following Jesus and learning more about the faith and how to serve the Lord, so in return, they go out and teach others their "arts and crafts".

3. The Analysis of art, craft, skill, and expertise in *Gorgias*

- What it says: "...both will proceed according to a rational account and will be practiced by experts who are able to explain their art to others."
- What it means: This reminds me of how disciples can evangelize the way they can because they learned from the best, Jesus. They have knowledge that many cannot say they have.

4. Different types of art, craft, skill, and expertise

- What it says: "...in order to understand Socrates' concept of an art concerned with taking care of one's soul, it will be necessary to consider which type of art he may have had in mind."
- What it means: I was taking this section as we all are different people who are reached in different ways. This reminds me of how Jesus reached people in very different ways. The Pharisees are completely different from someone like Herod, so how will you reach these people? Obviously in different ways.

5. The Role of Exercise, training, and Practice

- What it says: "...one who is an expert in an art will be able to give a rational account of what or she is doing"
- What it means: This means that one must have the training to be good at art, and they then can teach another to learn the art. This is like the disciples constantly walking with Jesus and learning after Him (even though they mess up a lot).

6. Aristotle's Interpretation of Socrates

- What it says: "...possession of a skill will necessarily impact upon the behavior of a possessor. So, when making shoes, the skilled shoemaker cannot help but make good shoes"
- What it means: When one believes in something, they cannot help but live it out and tell others about it. I think that is what Matthew's Jesus is trying to portray to the audience, specifically the disciples. There are many times when the disciples doubt the Lord, and He continues by saying something like *if you believe, why do you doubt me?*
