Star Wars: Lords of the Sith Paul S. Kemp, 2015-04-30 When the Emperor and his notorious apprentice Darth Vader find themselves stranded in the middle of insurgent action on an inhospitable planet they must rely on each other the Force and their own ruthlessness to prevail It appears things are as you suspected Lord Vader We are indeed hunted Anakin Skywalker Jedi Knight is just a memory Darth Vader newly anointed Sith Lord is ascendant The Emperor's chosen apprentice has swiftly proven his loyalty to the dark side Still the history of the Sith Order is one of duplicity betrayal and acolytes violently usurping their Masters and the truest measure of Vader's allegiance has yet to be taken Until now On Ryloth a planet crucial to the growing Empire as a source of slave labor and the narcotic known as spice an aggressive resistance movement has arisen led by Cham Syndulla an idealistic freedom fighter and Isval a vengeful former slave But Emperor Palpatine means to control the embattled world and its precious resources by political power or firepower and he will be neither intimidated nor denied Accompanied by his merciless disciple Darth Vader he sets out on a rare personal mission to ensure his will is done For Syndulla and Isval it's the opportunity to strike at the very heart of the ruthless dictatorship sweeping the galaxy And for the Emperor and Darth Vader Ryloth becomes more than just a matter of putting down an insurrection When an ambush sends them crashing to the planet's surface where inhospitable terrain and an army of resistance fighters await them they will find their relationship tested as never before With only their lightsabers the dark side of the Force and each other to depend on the two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries

Queer Identities in Popular Culture Laura J. Getty, Josef Vice, 2026-01-27 From the global spectacle of RuPaul's Drag Race to queer characters in science fiction universes queer figures have never been more visible and culturally significant Drawing on a wide array of television and film examples this work demonstrates how popular culture not only mirrors changing public attitudes toward gender identity and sexual orientation but also actively shapes them The search for identity and our place in the world is a timeless topic which these essays situate in a question How do non heteronormative people find themselves their true selves in a patriarchal and heteronormative hegemony They highlight possible ways of answering that question reimagining society and genres altering one's identity based on new insights or being forced to alter one's identity and revealing the truth about one's identity All of these approaches involve expanding representation with positive depictions that lead to greater acceptance even in the face of increasing pushback

Two undercover Jedi discover a Separatist plan to destroy the cloning facility on the watery world of Kamino, thus crippling the Republic's ability to maintain their clone army. Obi-Wan Kenobi and Anakin Skywalker are part of a Jedi fighter squadron sent to protect the installation, but they learn that there are heroes fighting for the Separatist cause as well as for the Republic and that Jango Fett, though dead, still has something to say about how this war is fought. Meanwhile, Mace Windu, the leader of the Jedi Council, must deal with a rift in the Jedi ranks, a matter that reveals a Jedi traitor and a new Dark Jedi working in league with Dooku. Mace is considered one of the best swordsmen in the galaxy, but can he stand up to the swordmaster who taught him everything he knows, including the mysterious technique known as Vaapad? New characters and new worlds are revealed as the Clone Wars spread throughout the galaxy.
