manager Both the psychology of management and the detail of football strategy at the top level can be complex matters but no one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here MY AUTOBIOGRAPHY is revealing endlessly entertaining and above all inspirational *Rangers In London 1960-1971* Jerry 'J' Silverman, Rangers In London is the story of the nine matches between 1960 and 1971 when Britain and the World s most domestically successful football club with the greatest and most fervent support travelled south from Glasgow to the Capital city Almost every game seems to have thrown up something amazing or special From the first European Cup tie played in London to a match described by the legendary and equally reticent Spurs manager Bill Nicholson as the greatest game on earth Alex Ferguson s Rangers debut at Arsenal QPR s Rodney Marsh assaulting two players on the pitch and a teenager whisked from work in Glasgow in the morning to play in goal against a team of internationals and a world cup winner in the evening at Tottenham And we best not forget Rangers appearances at Chelsea for the man they called Chopper either and at Highbury for a gentleman who at his peak was quite possibly the best goalkeeper in Europe And much more Unashamedly nostalgic and so many great stories histories and characters to recall celebrate and write about In a more modest way we try to chart the development of football at Ibrox and in London on and off the field at a time when football was beginning to become more sophisticated commercial and international There s a bit of sociology too as we look at the emergence of football hooliganism skinheadism and wider societal cultures in and around football at that time Does what go around come around with a slightly different twist I ll let the reader decide But I hope you ll enjoy taking in these matches with me and get the same pleasure as the devoted thousands and perhaps you were one who followed on to London with Rangers Win lose or draw
