Modern Theories of Performance Jane Milling, Graham Ley, 2017-04-07 The modern era in the theatre is remarkable for the extraordinary role and influence of theoretical practitioners whose writings have shaped our sense of the possibilities and objectives of performance This study offers a critical exploration of the theoretical writings of key modern practitioners from Stanislavski to Boal Designed to be read alongside primary source material each chapter offers not only a summary and exposition of these theories but a critical commentary on their composition as discourses Close scrutiny of the cultural context and figurative language of these important and sometimes difficult texts yields fresh insight into the ideas of these practitioners The Routledge Companion to Performance Practitioners Franc Chamberlain, Bernadette Sweeney, 2020-08-16 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks Each of the chapters is written by an expert on a particular figure from Stanislavsky and Brecht to Laban and Decroux and places their work in its social and historical context Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice All 22 practitioners from the original series are represented with this volume covering those born after 1915 This is the definitive first step for students scholars and practitioners hoping to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures The Empty Church Shannon Craigo-Snell, 2016-08 Why go to church What happens in church and why does it matter The Empty Church presents fresh answers to these questions by creating an interdisciplinary conversation among performance studies theater directors and Christian theologians The result is a compelling depiction of church as a performative relationship with Jesus Christ mediated by Scripture in hope of the Holy Spirit **Current Approaches in Drama Therapy** David R.
