Murder Of Travis Alexander Wikipedia:

A Mormon Murder - Jodi Arias and the Killing of Travis Alexander Pamela Lillian Valemont,2013-09-29 The tragedy of Jodi Arias and Travis Alexander captured the imagination and riveted attention of viewers around the world When the murder trial of beautiful Jodi Arias was televised and beamed internationally into foreign homes the tragic story that unfolded of this fatally stricken young Mormon union is not something that history will quickly forget nor will the cries from Arias supporters who believe her to have been over sentenced be easily silenced Despite changing the name to the Church of Jesus Christ of Latter Day Saints in 1838 the killing of handsome Travis Alexander smacked and reverberated with similarity to the murders of atonement committed in those early times a fact not overlooked by those familiar with the historic origins of the Mormon Church Yet this similarity was never raised in court by either defense or prosecution Since her conviction for murder in the first degree Jodi Arias is serving out a natural life sentence at Perryville Prison handed down by Judge Sherry Stephens

Inside the Texas Revolution James E. Crisp,2021-07-19 Herman Ehrenberg wrote the longest most complete and most vivid memoir of any soldier in the Texan revolutionary army His narrative was published in Germany in 1843 but it was little used by Texas historians until the twentieth century when the first and very problematic attempts at translation into English were made Inside the Texas Revolution The Enigmatic Memoir of Herman Ehrenberg is a product of the translation skills of the late Louis E Brister with the assistance of James C Kearney both noted specialists on Germans in Texas The volume s editor James E Crisp has spent much of the last 27 years solving many of the mysteries that still surrounded Ehrenberg s life It was Crisp who discovered that Ehrenberg lived in the Texas Republic until at least 1840 and spent the spring of that year as ranger on the frontier Ehrenberg was not a historian but an ordinary citizen whose narrative of the Texas Revolution contains both spectacular eyewitness accounts of action and almost mythologized versions of major events that he did not witness himself This volume points out where Ehrenberg is lying or embellishing explains why he is doing so and narrates the actual relevant facts as far as they can be determined Ehrenberg s book is both a testament by a young Texan everyman who presents a laudatory paean to the Texan cause and a German s explanation of Texas and its fight for freedom against Mexico to his fellow Germans with a powerful subtext that patriotic Germans should aspire to a similar struggle and a similar outcome a free democratic republic
