

i will tell you, my daughter
of your worth
not your beauty
every day. (your beauty is a given. every being is
born beautiful).
knowing your worth
can save your life.
raising you on beauty alone
you will be starved.
you will be raw.
you will be weak.
an easy stomach.
always in need of someone telling you how
beautiful you are.

Becoming Abolitionists Derecka Purnell,2022-10-04 One of the New York Times 6 New Paperbacks to Read Now in paperback and with new material a 2021 Kirkus Best Book of the year in both Nonfiction and Current Events the book Naomi Klein called a triumph of political imagination and a tremendous gift to all movements struggling towards liberation For more than a century activists in the United States have tried to reform the police Millions of people continue to protest police violence because these solutions do not match the problem the police cannot be reformed In her critically acclaimed first book *Becoming Abolitionists* Purnell draws from her experiences as a lawyer writer and organizer initially skeptical about police abolition She saw too much sexual violence and buried too many friends to consider getting rid of police in her hometown of St Louis let alone the nation But the police were a placebo Calling them felt like something and something feels like everything when the other option seems like nothing Purnell details how multi racial social movements rooted in rebellion risk taking and revolutionary love pushed her and a generation of activists toward abolition The book travels across geography and time and offers lessons that activists have learned from Ferguson to South Africa from Reconstruction to contemporary protests against police shootings Here Purnell invites readers to envision new systems that work to address the root causes of violence *Becoming Abolitionists* shows that abolition is not solely about getting rid of police but a commitment to create and support different answers to the problem of harm in society and most excitingly an opportunity to reduce and eliminate harm in the first place *Vanity Fair* ,2018
