

# MODERN PHYSICS

The background of the cover is a dark blue gradient. It features a complex network of glowing, thin lines in shades of green, yellow, and cyan. These lines form various geometric shapes, including circles, spirals, and intersecting paths, suggesting concepts like particle tracks or quantum wavefunctions. There are also some larger, semi-transparent spheres or shells in light blue and green, some of which appear to have internal structures or are surrounded by smaller particles. The overall aesthetic is scientific and futuristic.
