Jonathan Lethem, 2024-09-03 In honor of the 25th anniversary of **Motherless Brooklyn** a hardcover omnibus edition of two of the most acclaimed novels by one of America's most inventive novelists **Motherless Brooklyn** winner of the National Book Critics Circle Award is a compulsively readable riff on the classic noir detective novel Lionel Essrog is an orphan whose Tourette's symptoms drive him to rip apart language in startling and evocative ways Charismatic Brooklyn mobster Frank Minna serves as a father figure to Lionel and three of his fellow veterans of the St Vincent's Home for Boys employing them in his limo service and detective agency But when Frank is fatally stabbed Lionel's world is turned topsy-turvy and he sets

out to untangle the case while trying to keep the words straight in his head *The Fortress of Solitude* is the story of two motherless boys Dylan Ebdus and Mingus Rude growing up as neighbors in 1970s Brooklyn Because Dylan is white and Mingus is Black their friendship is not simple Neither is their neighborhood where the entertainments range from muggings to joyous games of stoopball and where the smallest decisions what music you listen to whether to speak to the kid seated next to you whether to give up your lunch money are laden with potential disaster Through the knitting and unraveling of the boys friendship Jonathan Lethem weaves a rich and emotionally gripping story that encompasses race and class superheroes gentrification funk hip hop graffiti incarceration loyalty and memory Everyman's Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author's life and times [Jonathan Lethem](#) James Peacock, 2013-07-19 Jonathan Lethem is the first full length study dedicated to the work of an exciting genre busting contemporary writer with an increasingly high profile in American literature Examining all of Lethem's novels as well as a number of his short fictions essays and critical works this study shows how the author's prolific output his restlessness and his desire always to be subverting literary forms and genres are consistent with his interest in subcultural identities The human need to break off into small groupings subcultures or miniature utopias is mirrored in the critical tendency to enforce generic boundaries To break down the boundaries between genres then is partly to make a nonsense of critical distinctions between high and low literature and partly to reflect the wider need to recognise difference to appreciate that other people no matter how outlandish and alien they may appear share similar desires experiences and problems With this in mind James Peacock argues that Lethem's experiments with genre are not merely games or elaborate literary jokes but ethical necessities particularly when viewed in the light of the losses and traumas that shadow all of his writing Jonathan Lethem therefore makes an important contribution not just to Lethem studies but also to debates about genre and its position in postmodern or post postmodern literature It will be of interest to all scholars and students of contemporary American writing as well as those interested in genre fiction and literature's relationship with subcultures *Brooklyn Crime Novel* Jonathan Lethem, 2023-10-03 Named a Best Book of the Year by Boston Globe New Yorker NPR PopMatters From the bestselling and award winning author of *The Fortress of Solitude* and *Motherless Brooklyn* comes a sweeping story of community crime and gentrification tracing more than fifty years of life in one Brooklyn neighborhood A blistering book A love story Social commentary History Protest novel And mystery joins the whole together is the crime time Or the almighty dollar I got a great laugh from it too Every city deserves a book like this Colum McCann author of *Apeirogon* and *Let the Great World Spin* On the streets of 1970s Brooklyn a daily ritual goes down the dance Money is exchanged belongings surrendered power asserted The promise of violence lies everywhere a currency itself For these children Black brown and white the street is a stage in

shadow And in the wings hide the other players parents cops renovators landlords those who write the headlines the histories and the laws those who award this neighborhood its name The rules appear obvious at first But in memory s prism criminals and victims may seem to trade places The voices of the past may seem to rise and gather as if in harmony then make war with one another A street may seem to crack open and reveal what lies behind its glimmering facade None who lived through it are ever permitted to forget Written with kaleidoscopic verve and delirious wit Brooklyn Crime Novel is a breathtaking tour de force by a writer at the top of his powers Jonathan Lethem one of America s greatest storytellers Washington Post has crafted an epic interrogation of how we fashion stories to contain the uncontrollable our remorse at the world we ve made

The Feral Detective Jonathan Lethem,2018-11-06 Jonathan Lethem s first detective novel since *Motherless Brooklyn* One of America s greatest storytellers Washington Post Phoebe Siegler first meets Charles Heist in a shabby trailer on the eastern edge of Los Angeles She s looking for her friend s missing daughter Arabella and hires Heist to help A laconic loner who keeps his pet opossum in a desk drawer Heist intrigues the sarcastic and garrulous Phoebe Reluctantly he agrees to help The unlikely pair navigate the enclaves of desert dwelling vagabonds and find that Arabella is in serious trouble caught in the middle of a violent standoff that only Heist mysteriously can end Phoebe s trip to the desert was always going to be strange but it was never supposed to be dangerous Jonathan Lethem s first detective novel since *Motherless Brooklyn* *The Feral Detective* is a singular achievement by one of our greatest writers [Understanding Jonathan Lethem](#) Matthew Luter,2015-07-15 *Understanding Jonathan Lethem* is a study of the novels short fiction and nonfiction on a wide range of subjects in the arts by American novelist Jonathan Lethem who is the recipient of the National Book Critics Circle Award for Fiction for *Motherless Brooklyn* a MacArthur Foundation genius grant and the Locus Award for Best First Novel for *Gun with Occasional Music* Matthew Luter explores the key contemporaries of and influences on Lethem who is the Roy Edward Disney Professor of Creative Writing at Pomona College Luter begins this volume by explaining how Lethem s innovative and provocative essay on creative appropriation *The Ecstasy of Influence* differs from other writing about influence suggesting an artistic mode that celebrates thoughtful borrowing Readings of Lethem s three major novels follow taken together *Motherless Brooklyn* *The Fortress of Solitude* and *Chronic City* present a novelist coming to terms with the joys and downsides of artistic influence Luter concludes the edition with an examination of Lethem s third collection *Lucky Alan And Other Stories* Borrowing openly and promiscuously from earlier traditions both high and low experimental fiction comic books art film detective novels Lethem displays a career long interest in questioning what literary originality might mean in a postmodern age Some suggest that such borrowings indicate a literary well that has run dry making writers such as Lethem mere patchwork artists Luter argues instead that Lethem s propensity for wearing his influences and obsessions on his sleeve encourages new thought about originality itself Out with it s all been done and in with look at all that s been done and all that we can still do with it *Jonathan Lethem and the Galaxy of Writing* Joseph Brooker,2019-12-12 Author of *Motherless*

Brooklyn and The Fortress of Solitude Jonathan Lethem is one of the most celebrated and significant American writers working today This new scholarly study draws on a deep knowledge of all Lethem s work to explore the range of his writing from his award winning fiction to his work in comics and criticism Reading Lethem in relation to five themes crucial to his work Joseph Brooker considers influence and intertextuality the role of genres such as crime science fiction and the Western the imaginative production of worlds superheroes and comic book traditions and the representation of New York City Close readings of Lethem s fiction are contextualized by reference to broader conceptual and comparative frames as well as to Lethem s own voluminous non fictional writing and his adaptation of precursors from Franz Kafka to Raymond Chandler Rich in critical insight Jonathan Lethem and the Galaxy of Writing demonstrates how an understanding of this author illuminates contemporary literature and culture at large

Traces of Film - Jonathan Lethem's Motherless Brooklyn as a Detective Story

Detective Story Motherless Brooklyn as a Pretext for a Hollywood Movie Sometimes when we read a book and our
imagination is roused by the words we read we cannot wait for this story being told by a film We want to see if our
imagination fits the real pictures on screen Having read a novel there is a quite well fitting German term that people use
when they have liked the story and its characters The novel has probably had a strong impact on their perception of the plot
and the language seems to have generated longlasting images in their minds One would informally say This is such a good
story This book is really now comes the term filmreif When I read Jonathan Lethem s Motherless Brooklyn that was exactly
what occurred to me In this paper I want to examine theoretically what was a sudden idea an intuitive feeling in the
beginning and connect film science with literary analysis The novel can be classified as a detective story as it seems to follow
the pattern of a classical detective story and it shows lots of features that could be read as a prose source for a movie The
narrative i e the story its subjects or motifs and the way it is told remind one of the typical sujets of the classical Hollywood
cinema It is not uncommon that good in the sense of critically acclaimed and successful in the sense of best selling books are
translated into films in all kinds of genres and in all kinds of countries When a film adapts a novel it has to stand numerous
comparisons to its literary predecessor But whatever the better medium for telling a good story is the history of
filmadaptation speaks for the phenomenon of adaptation itself Many novels turned out to become good and successful films
as well Especially the detective story seems to be made of a pattern that works perfectly for films as well The Big Sleep by
Raymond Chandler and The Moonstone by Wilkie Collins are only two examples for successful film adaptations of classical
detective stories What special pattern is this
