Ethics The Essential Writings Modern Library Classics:

Ethics Gordon Marino, 2010-08-10 In *Ethics The Essential Writings* philosopher Gordon Marino skillfully presents an accessible provocative anthology of both ancient and modern classics on matters moral. The philosophers represent 2,500 years of thought from Plato, Kant, and Nietzsche to Alasdair MacIntyre, Susan Wolf, and Peter Singer, and cover a broad range of topics from the timeless questions of justice, morality, and faith to the hot button concerns of today such as animal rights, our duties to the environment, and gender issues. Featuring an illuminating preamble, concise introductory essays on the giants of ethical theory, and incisive chapter headnotes to the modern offerings, this Modern Library edition is a perfect single volume reference for students, teachers, and anyone eager to engage in reflection on ethical questions including: What is the basis for our ethical views and judgments? Gordon Marino is professor of philosophy and director of the Hong Kierkegaard Library at St Olaf College in Northfield, Minnesota. A recipient of the Richard J. Davis Ethics Award for excellence in writing on ethics and the law, he is the author of *Kierkegaard in the Present Age*, co-editor of *The Cambridge Companion to Kierkegaard*, and editor of the Modern Library's *Basic Writings of Existentialism*. His essays have appeared in *The New York Times*.

Modern Ethics in 77 Arguments Peter Catapano, Simon Critchley, 2017-08-22 From the editors of the widely influential *The Stone Reader* comes the most thorough and engaging guide to modern ethical thought available. Since 2010, *The Stone*, an enormously popular column in the *New York Times*, has interpreted and reinterpreted age-old inquiries that speak to our contemporary condition. Having done for modern ethics what *The Stone Reader* did for modern philosophy, this portable volume features an assortment of essays culled from the archives of an online *Times* series that has attracted millions of readers through accessible examinations of longstanding topics like consciousness, religious belief, and morality. Presenting the most thorough and accessible guide to modern ethical thought available, *New York Times* editor Peter

Catapano and best selling philosopher Simon Critchley curate a fascinating culture of debate and deliberation that would have otherwise gone undiscovered From questions of gun control and drone warfare to the morals of vegetarianism and marriage this book emancipates ethics from the province of ivory tower classrooms to become a centerpiece of discussions for years to come

Suffering and Bioethics Ronald Michael Green,Nathan J. Palpant,2014 Before curing was a possibility medicine was devoted to the relief of suffering Attention to the relief of suffering often takes a back seat in modern biomedicine This book seeks to place suffering at the center of biomedical attention examining suffering in its biological psychological clinical religious and ethical dimensions

The Oxford Handbook of Mystical Theology Edward Howells,Mark A. McIntosh,2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

Tolerance and the Ethical Life Andrew Fiala,2005-05-12 In a fresh and exciting way this new book shows

how tolerance connects with the practice of philosophy Andrew Fiala examines the virtue of tolerance as it appears in several historical contexts Socratic philosophy Stoic philosophy Pragmatism and Existentialism The lesson derived is that tolerance is a virtue for what Fiala calls tragic communities Such communities are developed when we come together across our differences but they lack the robust sense of connection that we often seek with others the complete sort of happiness that is offered by a more utopian ideal of community But rather than viewing this conclusion as a failure Fiala maintains that tragic communities are the best communities possible for human beings who are aware of their own individuality and finitude Indeed they are typical of the sorts of communities created by philosophers engaged in dialogue with others Tolerance and the Ethical Life will strongly appeal to specialists and upper level students in Ethics and Political Philosophy both for its unique historical exploration of tolerance and its application of those results to present day moral theory **The**

Annunciation Larry Hart,2017-03-10 The Annunciation is an in depth look at how the Christian message can be communicated in a way that is comprehensible to the postmodern world and yet remain within the classical faith **Ethics** Gordon Daniel Marino,2010 **Nonviolent Perspectives** Andrew Fitz-Gibbon,2025-02-04 This book is a compilation of essays addressing the central issue of humanity interpersonal violence and more importantly nonviolence as its antidote The essays trace the author s journey from early pacifist convictions influenced by personal experiences with violence to a nuanced understanding of nonviolence rooted in ethics love spirituality and critical theory Spanning over two decades the writings explore various dimensions of nonviolence from philosophical arguments and historical analysis to practical applications in parenting political resistance and care ethics The book brings together previously published works that have been instrumental in shaping the author s thinking making them accessible for scholars students and anyone interested in nonviolence With reflections on the works of Murdoch MacIntyre Gandhi and others it offers a comprehensive examination of nonviolence as both a personal practice and a social imperative The Lincoln Library of Essential Information ,1924
