Fahrenheit 451 Study Guide CD-ROM 430cd CD-Rom,2011-03-16 Guy Montag a fireman of the future is responsible for starting fires not stopping them In his society books have been banned all books save the firemen s own rule books which contain the ominous order Burn everything Montag finds pleasure in enforcing the status quo which is that pleasure in the ultimate good and intellectual pursuits are bad because they breed dissatisfaction and superiority At least he finds pleasure in his job until one autumn evening when a teenage neighbor Clarisse McClellan asks him a simple haunting question Are you happy The question takes on greater urgency when Montag discovers that his wife Mildred has overdosed on pills in a suicide attempt After she is perfunctorily and mechanically revived by technicians she has no memory of her actions and resumes her distraction filled days as though nothing has happened She continues to insist she is happy spending her time in the ironically named living room with her televised life sized family entertaining her from three wall sized screens The final shock to Montag s complacency occurs when he and his fellow firemen respond to an alarm at 11 North Elm Street where a woman possesses a contraband library Rather than passively submit to the firemen s kerosene she lights the match that ignites the books and herself As a result of this self immolation Montag clearly sees a new truth There must be something in books things we can t imagine and perhaps he thinks that something can heal not only his life and his marriage but also his happiness hunting society And so Montag begins to read forbidden books that he has hidden in his home putting his career

and life in danger With the help of Faber a former professor of literature Montag seeks a way to help or force his society to remember what it has forgotten With Fire Captain Beatty the firemen and their lethal Mechanical Hound in pursuit of him Montag races against time to save a society unaware that it is heading toward self destruction Interactive CD rom

Summary of Fahrenheit 451 Mark Stevens,2018-05 Fahrenheit 451 is a dystopian novel by American writer Ray Bradbury published in 1953 It is regarded as one of his best works The novel presents a future American society where books are outlawed and firemen burn any that are found The book s tagline explains the title Fahrenheit 451 the temperature at which book paper catches fire and burns The lead character is a fireman named Montag who becomes disillusioned with the role of censoring works and destroying knowledge eventually quitting his job and joining a resistance group who memorize and share the world s greatest literary and cultural works The novel has been the subject of interpretations focusing on the historical role of book burning in suppressing dissenting ideas In a 1956 radio interview Bradbury said that he wrote Fahrenheit 451 because of his concerns at the time during the McCarthy era about the threat of book burning in the United States In later years he described the book as a commentary on how mass media reduces interest in reading literature
