D/ Entry into Switzerland

Before his/her entry into Switzerland, the student must file a visa application with the Swiss consular representation closest to his/her regular place of domicile abroad using the form provided for this purpose (<http://www.bfm.admin.ch/bfm/en/home/themen/einreise/visumantragsformular.html>).

Swiss consular representation with which the visa application was/will be filed :

The Vaud cantonal authority responsible for the policing of foreigners, that is to say the Population Service, generally authorises in advance the granting of a visa by the Swiss consular representation abroad, but it is the latter authority that is exclusively competent for its issue. The student must then await abroad the final decision of the consular authority concerning his/her visa application, and to enter into Switzerland he/she must hold a valid national passport.

A stay for study purposes lasting a maximum of three months (similar to a stay for tourism) does not require the issue of a residence permit. For this kind of stay, the Swiss consular representation abroad may issue a visa pursuant to article 13, par. 1, letter c of the Ordinance of 24 October 2007 on Entry and Visa Procedure (OPEV).

If the student is already in Switzerland, he/she must notify his/her presence formally to the local authority (Population Control / Aliens Office) of the municipality where he/she is domiciled.
