

# Understanding your English level

This table has been produced as a useful guideline for learners to understand the levels targeted by British Council adult courses. Alignment between the Common European Framework of Reference for Languages (CEFR), Exams and British Council courses has been based on publicly available information from the test providers. Examinations have been placed on the table in relation to the CEFR levels that the exam providers claim relevance to. However, it is not meant to imply direct equivalence or act as any guarantee for achieving the scores shown.
