Extending Explanation-Based Learning by Generalizing the Structure of Explanations Jude W. Shavlik, 2014-07-10 Extending Explanation Based Learning by Generalizing the Structure of Explanations presents several fully implemented computer systems that reflect theories of how to extend an interesting subfield of machine learning called explanation based learning This book discusses the need for generalizing explanation structures relevance to research areas outside machine learning and schema based problem solving The result of standard explanation based learning BAGGER generalization algorithm and empirical analysis of explanation based learning are also elaborated This text likewise covers the effect of increased problem complexity rule access strategies empirical study of BAGGER2 and related work in similarity based learning This publication is suitable for readers interested in machine learning especially explanation based learning

Investigating Explanation-Based Learning Gerald DeJong, 2012-12-06 Explanation Based Learning EBL can generally be viewed as substituting background knowledge for the large training set of exemplars needed by conventional or empirical machine learning systems The background knowledge is used automatically to construct an explanation of a few training exemplars The learned concept is generalized directly from this explanation The first EBL systems of the modern era were Mitchell's LEX2 Silver's LP and De Jong's KIDNAP natural language system Two of these systems Mitchell's and De Jong's have led to extensive follow up research in EBL This book outlines the significant steps in EBL research of the Illinois group under De Jong This volume describes theoretical research and computer systems that use a broad range of formalisms schemas production systems qualitative reasoning models non monotonic logic situation calculus and some home grown ad hoc representations This has been done consciously to avoid sacrificing the ultimate research significance in favor of the expediency of any particular formalism The ultimate goal of course is to adopt or devise the right formalism
