INTRODUCTION

Field Hockey is a demanding, vigorous sport that is growing in popularity. It combines individual physical activity and highly coordinated team play, and has the potential for great spectator appeal. It has become increasingly popular in the high school and college level, because of the popular equipment available.

HISTORY OF THE GAME

Hockey is thought to date back as far as ancient Greece. There is some evidence that the Greeks played some version of hockey games. Persians and

Europeans all had their own versions of field games. Some believe that the word "hockey" comes from the French "hockey," a derivative of Greek. However, it is argued that the word "hockey" came from the verb "to hit," as in the case of the verb "to hit." Some believe that the word "hockey" came from the verb "to hit," as in the case of the verb "to hit."

By the late nineteenth century, hockey began to be played in England's schools. In 1886, the Hockey Association of London was founded. Initially, only men's field hockey was played, and the first international women's competition was held in 1926. The first international men's competition was held in 1936. The first international women's competition was held in 1956. The first international men's competition was held in 1976. The first international women's competition was held in 1996.
