most important novels of the post war years Times Literary Supplement **Perspectives on Max Frisch** Gerhard F. Probst, Jay F. Bodine, 2021-12-14 Max Frisch with his countryman Friederich Diirrenmatt shares the place of eminence in contemporary Swiss literature Indeed he ranks high among the recent leading writers in the German language But although several of his works novels and plays have been translated into English he remains little known in America In this collection of essays an international group of scholars provides a fresh introduction to this noted author The three leading essays review Frisch s work in the forms he has used most extensively drama narrative fiction and the personal diary The remaining nine essays focus on specific works or topics Among the works examined are I m Not Stiller A Wilderness of Mirrors Wilhelm Tell and the recent Man in the Holocene Among the topics are Frisch s use of language and images his treatment of women and the element of parody Concluding the volume is the most complete bibliography on Frisch to appear in English to date

Max Frisch, His Work and Its Swiss Background Malcolm Pender, 1979 Bluebeard Max Frisch, 1985 **Max Frisch. - New York (1967). 192 S. 8°** Ulrich Weisstein, 1967 **Sketchbook 1946-1949** Max Frisch, 1983-03-01 Records the Swiss novelist playwright s experiences observations and ruminations in the cities of Europe immediately after World War II preserving his thoughts about shell shocked people and cities the significance of war itself and his own future as Homo Faber Max Frisch, 1959 From the Berlin Journal Max Frisch, 2023-07-06 The daily journal of a giant of German literature touching subjects ranging from everyday life to the political and social conditions in East Germany as viewed from West Berlin Max Frisch 1911 91 was a giant of twentieth century German literature When Frisch moved into a new apartment in Berlin s Sarrazinstrasse he began keeping a journal which he came to call the Berlin Journal A few years later he emphasized in an interview that this was by no means a scribbling book but rather a book fully composed The journal is one of the great treasures of Frisch s literary estate but the author imposed a retention period of twenty years from the date of his death because of the private things he noted in it From the Berlin Journal now marks the first publication of excerpts from Frisch s journal Here the unmistakable Frisch is back full of doubt with no illusions and with a playfully sharp eye for the world From the Berlin Journal pulls from the years 1946 49 and 1966 71 Observations about the writer s everyday life stand alongside narrative and essayistic texts as well as finely drawn portraits of colleagues like G nter Grass Uwe Johnson Wolf Biermann and Christa Wolf among others Its foremost quality though is the extraordinary acuity with which Frisch observed political and social conditions in East Germany while living in West Berlin An Answer from the Silence Max Frisch, 2019-09-15 This novel by esteemed Swiss writer Max Frisch is an exploration of the question Why don t we live when we know we re here just this one time just one single unrepeatable time in this unutterably magnificent world This outcry against the emptiness of ordinary everyday life uttered by the hero of Frisch s book is countered by an answer from the silence he meets when face to face with death When An Answer from the Silence begins the protagonist has just turned thirty and is engaged to be married and about to start work as a teacher Frightened by the idea of settling down he journeys to the Alps in a do or

die effort to climb the unclimbed North Ridge and by doing so prove he is not ordinary But having reached the top he returns not in triumph but in frostbitten shock having come dangerously close to death This highly personal early novel reflects a crisis in Frisch s own life and perhaps because of this intimate connection he refused to allow it to be included in his Collected Works in the 1970s Now available in English this distinctive book will thrill fans of Frisch s other works **The Novels of Max Frisch** Michael Butler,1976 *Max Frisch* Max Frisch,1989 Texts include selections from Sketchbook 1946 1949 I m Not Stiller Homo Faber A Report Gantenbein Sketchbook 1966 1971 Wilhelm Tell A School Text Military Service Record Montauk and Man in the Holocene The plays includes selections from Now They are Singing Again Don Juan Andorra The Fire Raisers Biography A Game and Tryptich Three Scenic Panels The essays and speeches include Emigrants Foreignization I Switzerland as Heimat and Questionnaire 1987 **Bluebeard** Max Frisch,1983 The tale tells the story of a wealthy violent man in the habit of murdering his wives and the attempts of one wife to avoid the fate of her predecessors Wikipedia Zurich Transit Max Frisch,2021 The screenplay Zurich Transit was developed from an episode in the novel Gantenbein published in 1964 A story for Camilla of a man who decides several times to change his life but of course never succeeds Yet one day he Theo Ehrismann returns from a trip abroad and reads in the paper his own obituary He arrives just on time for his own funeral and observes the attending mourners and yet he is not able to reveal himself to them especially not to his wife How does one say that he is alive Max Frisch counters the traditional dramaturgy based on causality with a dramaturgy of coincidence Life Max Frisch said in 1965 is the sum of events that happen by chance and it always could as well have turned out differently there is not a single action or omission that does not allow for variables in the future

Drafts for a Third Sketchbook Max Frisch,2013 New York I HATE IT I LOVE IT I DON T KNOW This could serve as a motto to large parts of Drafts for a Third Sketchbook much of which focuses on America where Frisch had an apartment as well as his house in rural Switzerland He wrote three Sketchbooks of which the third was left unpublished at his death in 1991 that record his reactions to events of the time and people he encountered in his daily life Despite the German title Tagebuch they are not diaries in the formal sense though they do progress chronologically but mostly without dates and only contain the pieces Frisch felt were significant These sketches ranging from a couple of sentences to several pages are not casual jottings but carefully crafted pieces Central to them is his reaction to the America of the Reagan years and the threat of nuclear war but another important theme is his own sense of growing old and the prospect of dying this is particularly movingly portrayed in the decline and death from cancer of his close friend Peter Noll Max Frisch 1911 91 was one of the giants of twentieth century literature achieving fame as a novelist playwright diarist and essayist He received the Georg Bchner prize in 1958 and the Neustadt Literature prize in 1986 For many years a lecturer in German with a special interest in Austrian literature Mike Mitchell has worked as a literary translator since 1995 Publisher s note
