Making Money Online Start to Monetize, 2015-04-09 I went through steep learning curves to build and monetize my websites. The information is out there; it always is, but it was scattered and unclear. It was about time a guide was written to explain the steps towards making money online, and here it is. Making money with a blog or website is hard work, but really, you need to stop hesitating and simply get started. It all starts with an idea, step 1, and from there on, it's all about following a set of clear steps towards your end goal: having a successful blog that generates passive income. Everything you need, getting your startup idea, building a blog, getting visitors, setting up your social media, and monetizing your site, is inside this guide. So what's in it exactly? The steps from building a website to successful monetization, info on making a site, doing marketing, and making money. 134 pages of information with over 50 illustrations, bonus material, case studies, and quotes by experts. Startup coaching; the author can help you through email support. The investments you make once you get started with this guide will start paying off in a matter of weeks. It might take longer for you to be able to quit your daytime job, but that's just a matter of time if you do things right. Stop hesitating, start now.
