The Funnel Approach To Questioning And Eliciting Information

J. H. Martins, M. G. Loubser, H. de J. Van Wyk

The Funnel Approach To Questioning And Eliciting Information:

Evidence-based Investigative Interviewing Jason J. Dickinson, Nadja Schreiber Compo, Rolando Carol, Bennett L. Schwartz, Michelle McCauley, 2019-02-21 For as long as we have been researching human memory psychologists have been investigating how people remember and forget This research is regularly drawn upon in our legal systems Historically we have relied upon eyewitness memory to help judge responsibility and adjudicate truth but memory is malleable prone to error and susceptible to bias Even confident eyewitnesses make mistakes and even accurate witnesses sometimes find their testimony subjected to harsh scrutiny Emerging from this environment the Cognitive Interview CI became a means of assisting cooperative witnesses with recalling more information without sacrificing accuracy First used by police interviewing adult witnesses it is now used with many populations in many contexts including public health accident reconstruction and the interrogation of terror suspects Evidence Based Investigative Interviewing reviews the application of cognitive research to investigative interviewing revealing how principles of cognition memory and social dynamics may increase the accuracy of eyewitness testimony It provides evidence based applications for investigators beyond the forensic domain in areas such as eyewitness identification detecting deception and interviewing children Drawing together the work of thirty three authors across both the academic and practice communities this comprehensive collection is essential reading for researchers in psychology forensics and disciplines such as epidemiology and gerontology

Inside Asylum Appeals Nick Gill, Nicole Hoellerer, Jessica Hambly, Daniel Fisher, 2024-08-14 Appeals are a crucial part of Europe s asylum system but they remain poorly understood Building on insights and perspectives from legal geography and socio legal studies this book shines a light on what takes place during asylum appeals and puts forward suggestions for improving their fairness and accessibility Drawing on hundreds of ethnographic observations of appeal hearings as well as research interviews the authors paint a detailed picture of the limitations of refugee protection available through asylum appeals Refugee law can appear dependable and reliable in policy documents and legal texts However this work reveals that in reality myriad social political psychological linguistic contextual and economic factors interfere with and frequently confound the protection that refugee law promises during its concrete enactment Drawing on evidence from Austria Belgium France Germany Greece Italy and the United Kingdom the book equips readers with a clear sense of the fragility of legal protection for people forced to migrate to Europe The book will appeal to scholars of migration studies legal studies legal geography and the social sciences generally as well as practitioners in asylum law throughout Europe and beyond This book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

performance inadequate management of the product design process can lead to improper performance of products that can result in significant long term business losses Design for Profitability Guidelines to Cost Effectively Manage the Development Process of Complex Products presents a design guideline for complex product design and development that enables you to cost effectively improve the technical performance of your products and consequently improve your competitiveness in the marketplace as well as improve profitability The book helps you improve the competitiveness of your organization in the market and eventually improve profitability It presents a mobile robots design guideline based on an empirical study of the mobile robots design process This is an unprecedented guideline based on the empirical investigation of the internal aspects of the design process of complex products for cost effectively enhancing the competitiveness in the market The book also presents a hybrid lean agile design paradigm for mobile robots In addition it points out key approaches and risks to manage the product development process efficiently In designing complex products and integrated systems industrial designers face a dilemma of cost effectively striking a balance between product development time and product performance attributes This book shows how and when value is added in product design and development through identifying statistically the most and least correlated design activities and strategies to product performance attributes Introducing a new paradigm in the field of engineering design the book gives you key approaches to efficiently manage the product development process

Children's Testimony Michael E. Lamb, David J. La Rooy, Lindsay C. Malloy, Carmit Katz, 2011-06-01 The second edition of Children's Testimony is a fully up to date resource for practitioners and researchers working in forensic contexts and concerned with children's ability to provide reliable testimony about abuse Written for both practitioners and researchers working in forensic contexts including investigative interviewers police officers lawyers judges expert witnesses and social workers Explores a range of issues involved with children's testimony and their ability to provide reliable testimony about experienced or witnessed events including abuse Avoids jargon and highly technical language Includes a comprehensive range of contributions from an international group of practitioners and researchers to ensure topicality and relevance

The Oral History Manual Barbara W. Sommer, Mary Kay Quinlan, 2024-07-23 The Oral History Manual Fourth Edition is a comprehensive and user friendly book designed to take novice or experienced oral historians through the entire life cycle of creating an oral history project from idea through planning interviewing caring for and making oral history interviews accessible It includes updated information on evolving technology including the use of and challenges associated with automated transcription apps ethical and practical considerations related to oral history and social justice including interviews with people experiencing trauma and challenges associated with real time interviews conducted in the wake of natural and human caused disasters It emphasizes that an oral historian's work is not finished when the recorder is turned off describing in detail the importance of fully processing and preserving oral histories and related materials The book emphasizes the importance of oral history practitioners providing context for their work so researchers and others who

encounter the materials in the future will understand fully the circumstances in which the oral histories were created The Oral History Manual Fourth Edition also provides readers background on the evolution of oral history practice and includes appendices with sample forms that oral historians will find useful as they develop their own projects

The Active Managers Tool Kit Mel Silberman, 2003-01-28 Dozens of customizable performance improvement tools Mel Silberman's bestselling books on Active Training have sold more than 68 000 copies In The Active Managers Tool Kit Silberman takes his trademarked approach to Active Training and applies it to Active Managing Instead of telling employees what to do and sitting back to wait for results active managers conduct team building motivate coach and guide their direct reports to be self directing accountable and team oriented The Active Managers Tool Kit is full of work sheets and reproducible tools that can be downloaded from the Web and customized or photocopied These include reproducible job aids for employees performance improvement activities that managers can use to train their own teams and questionnaires that help both manager and employees assess how well they are doing The tools in this book enable the active manager to coach and lead effectively

Research Methods in Human Resources Management Neal Schmitt, Richard J. Klimoski, Kendrith Martin Rowland, 1991

Children as Victims, Witnesses, and Offenders Bette L. Bottoms, Cynthia J. Najdowski, Gail S. Goodman, 2009-08-10 Grounded in the latest clinical and developmental knowledge this book brings together leading authorities to examine the critical issues that arise when children and adolescents become involved in the justice system Chapters explore young people's capacities competencies and special vulnerabilities as victims witnesses and defendants Key topics include the reliability of children's abuse disclosures eyewitness testimony interviews and confessions the evolving role of the expert witness the psychological impact of trauma and of legal involvement factors that shape jurors perceptions of children and what works in rehabilitating juvenile offenders Policies and practices that are not supported by science are identified and approaches to improving them are discussed

Systems Analysis and Design Kenneth E. Kendall, Julie E. Kendall, 2005 Dynamic comprehensive coverage makes this the perfect book on systems analysis and design with a reader friendly presentation of development methods tools and techniques A variety of review questions and problems an ongoing case study and an Internet based case study offer learners an understandable and motivating look at the SAD field For production supervisors and other business personnel in similar positions who want a working knowledge without the in depth command of information systems

From Practice to Grounded Theory W. Carole Chenitz, Janice M. Swanson, 1986 [Integrating Research Into Practice](#) Cynthia Bisman, David A. Hardcastle, 1999 In this breakthrough book Cynthia Bisman and David Hardcastle present research methods as tools that social workers can use to improve clients Rather than describing how research is done they focus on how social work practitioners can use the rigors and methodologies of research in practice The authors provide students with the skills they will need to evaluate the relevance and effectiveness of their practice including the ability to articulate what they are doing monitor their effectiveness and decide whether to continue the

applications with other clients **Marketing Research** J. H. Martins, M. G. Loubser, H. de J. Van Wyk, 1996 This book is a revised reprint of the 1996 publication which was a follow up to Researching the South African market by P A Nel et al 1988 All the steps in the marketing research process are discussed from the formulation of the problem to the interpretation and presentation of the results Its 18 chapters on research methodology focus chiefly on the consumer market In addition certain areas of marketing research are singled out for discussion in individual chapters They include Researching industrial markets Demand measurement and market forecasts Advertising research and Media research The book was written with South African conditions in mind and contains a great deal of background information about the size of the South African market as illustration Marketing Research Sunanda Easwaran, Sharmila J. Singh, 2006-12-07 Marketing Research is a comprehensive textbook specially designed to meet the needs of management students It combines both the quantitative and qualitative aspects of marketing research and addresses its utility for both the researcher and the end user **Community Approach to Family Welfare** Bishwa Bandhu Chatterjee, Hanuman Prasad, Sureśacandra Śrīvāstavya, 1973 **Introduction to Behavioral Science for Business** Blair John Kolasa, 1969 **Interviewing Practices for Technical Writers** Earl E. McDowell, 1991 Interviewing Charles J. Stewart, William B. Cash, 2006 Interviewing Principles and Practices offers comprehensive coverage of a wide range of interviews as well as the most thorough treatment of the basics of interviewing **Interpersonal Communication** Judy C. Pearson, 1983
