

Norouzi's Civil Engineering Dictionary English-Persian is recognized as the definitive dictionary of civil engineering up-to-date, comprehensive, and authoritative. It is unique among dictionaries in providing nearly encyclopedic discussions of many of the most important entries. Norouzi's Civil Engineering Dictionary English-Persian is vastly expanded to cover the explosion of new words and terms in Civil Engineering, Construction Engineering, Architectural engineering, and as well as relevant terms and concepts from a wide range of related fields. The entries are clearly written, so that they can be understood by non-engineers (including general readers), and they feature cross-references, so that readers can easily locate all the relevant information on a topic. Norouzi's Civil Engineering Dictionary is written for the working library of a broad and diverse readership of specialists and non-specialists that includes Engineers, workers, Real Estate counselors, lawyers, claims reviewers, and lay readers with an interest in civil engineering issues.
