Prince of Tricks Jane Kindred,2021-07-12 When desire rises angels will fall Over the past century Belphegor has made a name for himself in Heaven's Demon District as a card sharp thief and charming rogue Though he's content with his own company he enjoys applying the sweet sting of discipline to a willing backside angel demon and even the occasional human He's not particular But when a hotheaded young fire spirit steals his purse and his heart all bets are off Vasily a former rentboy and cutpurse from the streets of Raqia has never felt safer than in the arms and at the feet of the Prince of Tricks He's just not sure if Belphegor returns his feelings The attentions of a rich angelic duke provide the perfect opportunity to find out whether Belphegor is willing to fight for him but the foolish game backfires spectacularly When the duke frames Vasily in an assassination plot Belphegor will do whatever it takes to clear his lover's name and expose the real traitor Because for the first time in his life the Prince of Tricks has something to lose See this title's page on RiptidePublishing.com for content warnings
