Criminal Law In Canada Cases Questions And The Code:

Criminal Law in Canada Simon N. (Simon Nicholas) Verdun-Jones,2007 Criminal Law in Canada is a case oriented approach in which the student is encouraged to study not only the general principles of criminal law but also the specific details of decided cases Using this method the student learns to apply these principles of criminal law to concrete factual situations that arise in everyday life or to situations that they may encounter in their professional lives Contemporary changes in the Canadian Criminal Code are thoroughly examined and compared with precedent setting cases thereby creating a context for understanding and interpreting criminal law in Canada

Criminal Law in Canada Simon Nicholas Verdun-Jones,David MacAlister,2025 The text is a highly readable case filled introduction to criminal law and the Canadian Criminal Code Structured into two main parts offences and defences the book teaches students the doctrine of Canadian criminal law through an examination of the Code and of relevant cases Each chapter contains an analysis of an important criminal law case along with accompanying discussion questions The book contains over 100 study questions with short fictitious scenarios for students to test their ability to apply aspects ofcriminal law to a fact situation

Criminal Law in Canada : Cases, Questions, and the Code Simon Nicholas Verdun-Jones,2002 [Criminal Law in Canada](#) Simon Nicholas Verdun-Jones,1989 [An Introduction to Criminal Law in Context](#) J. McMunagle,1996 [Understanding Law for the Social Sciences](#) Dennis Baker,Byron Sheldrick,2025-07-15 Understanding Law for the Social Sciences provides students with essential tools to study Canadian law from various disciplinary perspectives It introduces key legal principles and concepts ensuring that social science students build a strong foundation to engage confidently with legal topics The book focuses on legal doctrines helping students understand how these doctrines are applied by lawyers judges and legal scholars To achieve this aim it begins with chapters that cover the sources of law legal reasoning and statutory interpretation Subsequent chapters introduce substantive areas of law including constitutional law criminal law administrative law contract law tort law property law labour law and environmental law For each of these areas the text not only outlines core concepts and terminology but also illustrates how legal controversies intersect with public debates state authority self governance and public policy Designed as an introduction to law and legal concepts Understanding Law for the Social Sciences prepares undergraduate students to engage with legal matters that they might further examine in law school or explore in social science graduate study While the book is especially beneficial for political science students due to its focus on public policy its broad scope offers valuable insights for anyone interested in understanding the role of law in society
