

ESSENTIAL IDIOMS IN ENGLISH by ROBERT J. DIXSON

Mention should be made of a unique feature that adds to the usefulness of this book: Appendix II is a listing of the idioms in the text with their equivalents in Spanish, French, and German. Having these equivalents should give the student a surer grasp of the meaning of the English idioms and greater confidence in using them.

This fourth revision of *Essential Idioms in English, New Edition* has undergone several important changes. The text has been restored to the original three-section format: Elementary (lessons 1-13), Intermediate (lesion 14-27), and Advanced (lessons 28-39). As would be expected, new idioms have been included and outdated idioms have been removed. Lessons in all sections review and build upon idioms introduced in earlier lessons. In some cases, notes that explain special usage or meaning are provided after the definitions, and related idiomatic forms are listed. New types of exercises provide greater variety in activity from one section to another. Finally, there is an answer key in the back of the book for all multiple-choice, matching, true-false, and fill-in-the-blank exercises.

SECTION ONE --- ELEMENTARY
