**On the Other Hand** Gilda, 2017-02-10 Gilda is a woman who has never had to fight for anyone or anything Her determination is a great strength Born to a middle class New York family she has had everything necessary for a healthy life Unfortunately she did not have the luxury of having being born with a silver spoon or on an platinum platter Although jewelry art handsome men and all the comforts one woman can possess has come her way still something is missing from her life She has a need to fulfill a hole and she is in a chapter of her life to realize that there's more to life than the perpetual attaining of things Gilda reveals inside secrets on how to conquer obstacles in both life circumstances and the struggles in the business world for the working class patrons Gilda's ambition and dedication to succeed guides her through many chapters of real life circumstances Even though struggles and obstacles want to put a hold on some goals she is determined to keep trucking But when childhood memories motherhood and career combine Gilda progresses with stride into leadership duties Little does Gilda know that certain life circumstances are not as easy as they are said to be It sometimes entails many different personalities and responsibilities Just when she thinks she is where she wants to be on easy street another challenge comes to face her Suddenly juggling from motherhood to career woman becomes a reality Will Gilda go insane Can she run from her chosen goals On the Other Hand is a story of facing challenges and obstacles in life family and the world of business by Gilda This new book on innovation by a talented new novelist gives great insights and will keep you interested from chapter to chapter Don't miss out on this knowledge

**Religion and Contemporary Management** Arthur J. Wolak, 2016-11-21

Although few might think of Moses as a leader in the contemporary business and political sense Moses is not only among the most significant leaders in Western civilization but is also arguably the quintessential example of a powerful leader from whom much can be learned by anyone entering and occupying leadership positions Various types of leadership approaches are considered that have been advocated by scholars over the past century Moses example as described in the Bible is analyzed to assert why Moses approach makes for an appropriate and compelling form of leadership today While present leadership and management vocabulary might differ from the Hebrew Bible many of the notions advocated by modern leadership theorists appear to parallel major behaviors traits functions experiences and actions ascribed to Moses especially in the first five books of the Hebrew Bible Anyone can view Moses through the lens of a particular religion whether shared or not and still learn considerably from the experience One will find Moses depicted as heroic charismatic and certainly empathic Yet Moses also shows transactional transformational and visionary leadership qualities Hence Religion and Contemporary Management discerns why Moses represents such an important model of effective leadership for contemporary times
