Together they learn how to overcome societal taboos and beliefs by putting aside male ego and the perceived need for monogamous relationships. They experience ecstasy beyond belief and their daily lives become filled with sensuality and excitement. Is he then a cuckold or is he just a man trying to get the most out of life for the love of his life? Is she a slut wife or is she just a woman taking advantage of the gifts a woman has to experience bliss? Is he no longer a man or has he transcended the stereotype of what a real man is and achieved true courage by becoming a feminized male? How many women would ever think of feminizing men to obtain the things they deserve to have and immerse themselves in unending blissful experiences heretofore unheard of by becoming a hot wife? Look inside and start reading now. It might change the way you look at things. If it does the things you look at might change as well.

Transgender Identities
Sally Hines, Tam Sanger, 2010-04-05

In recent years transgender has emerged as a subject of increasing social and cultural interest. This volume offers vivid accounts of the diversity of living transgender in today's world. The first section, Emerging Identities, maps the ways in which social, cultural, legal, and medical developments shape new identities on both an individual and collective level. Rather than simply reflecting social change, these shifts work to actively construct contemporary identities. The second section, Trans Governance, examines how law and social policy have responded to contemporary gender shifts. The third section, Transforming Identity, explores gender and sexual identity practices within cultural and subcultural spaces. The final section, Transforming Theory, offers a theoretical reflection on the increasing visibility of trans people in today's society and traces the challenges and the contributions transgender theory has brought to gender theory, queer theory, and sociological approaches to identity and citizenship. Featuring contributions from throughout the world, this volume represents the cutting edge scholarship in transgender studies and will be of interest to scholars and students interested in gender, sexuality, and sociology.

A Cuckold Husband... and Less
Rebecca Sharp, 2021-05-21

The coal black African skin next to her still flawless epidermis of the creamy white variety only served to heighten her sense of excitement for what was both exotic and illicit. She Elaine Fordham, wife of Brian, these past thirteen years was fucking another man or to be more factual, was being absolutely fucked by one. In affluent and historic Sussex, a husband who has given up his own career to promote that of his wife's is about to discover his self-sacrifice counts for nothing when that wife is given the opportunity to make up for years of unsatisfactory sex. This opportunity that will be less fulfilling for him than it is for her as he finds that not only will his own opportunities for lovemaking be curtailed almost to extinction, he will however be forced to perform domestic duties.
