

OBJECTIVES

- 1. Understand the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

Business Objectives

Business Objectives (including vision and health plan objectives):

Regulatory differences between the various sections of the health coverage ("the business" section, hospital and medical services, long-term care, etc.) and the various ERAs for particular health services are outlined and contrasted with the structure of the health coverage as "the business" provides coverage. The cost of coverage is also discussed.

Health and long-term care plans and various other related plans are also discussed in the context of the health plan that structure the business for each business.
