Mahinda Chinthana Vision For The Future:

Innovative Strategies in Technical and Vocational Education and Training for Accelerated Human Resource Development in South Asia: Sri Lanka Asian Development Bank,2015-11-01 This publication is part of a series of six country reports on technical and vocational education and training TVET and higher education in Bangladesh Nepal and Sri Lanka Each report presents current arrangements and initiatives in the respective country s skills development strategies These are complemented by critical analyses to determine key issues challenges and opportunities for innovative strategies toward global competitiveness increased productivity and inclusive growth The emphasis is to make skills training more relevant efficient and responsive to emerging domestic and international labor markets The reports were finalized in 2013 under the Australian AID supported Phase 1 of Subproject 11 Innovative Strategies for Accelerated Human Resource Development of Regional Technical Assistance 6337 Development Partnership Program for South Asia Sri Lanka Ecology, Nature Protection Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws IBP, Inc.,2011-11-05 2011 Updated Reprint Updated Annually Sri Lanka Ecology Nature Protection Laws and Regulation Handbook Innovative Strategies for Accelerated Human Resources Development in South Asia Asian Development Bank,2017-12-01 South Asia remains one of the fastest growing regions in the world but concerns are rising that its workforce lacks the skills and education to drive its economy into the 21st century Providing access to quality education and skills training is now a priority of policymakers in the region But even though government spending on education has increased significantly in recent years it has not resulted in effective education outcomes This report is one in a series of four publications that examines how education and training systems in the region can be improved In particular it looks at the role that the private sector can play in improving standards through investments in education and training **Regional Cooperation for Sustainable Food Security in South Asia** Nagesh Kumar,Joseph George,2019-08-02 This volume foregrounds the importance of regional cooperation in the context of food security challenges in South Asia South Asia holds the key to global achievement of SDG targets of ending hunger and malnutrition it accounts for nearly one third of food insecure people on the planet with every third child suffering from stunting due to malnutrition Similar food preferences production systems and the transboundary nature of agrarian ecosystems call for coordinated action by South Asian countries complementing national actions dealing with food security challenges In this volume leading experts discuss the perspectives of key South Asian countries in leveraging regional cooperation for addressing food security challenges and reflect on the potential of cooperative actions in different areas The book proposes a ten point regional policy agenda covering cooperation for combatting climate change regional trade liberalization operationalization of regional food reserves leveraging technology sharing of good practices regional institution building coordinated positions in multilateral trade negotiations addressing trans boundary outbreak of livestock diseases strengthening food safety standards and the management of shared natural resources A key volume on

accomplishing SDGs in the South Asian context this book will be of immense interest to policy makers researchers and development practitioners It is also essential reading for scholars and researchers in the areas of development studies South Asia studies food security environment and sustainability *Maritime Sri Lanka: Historical And Contemporary Perspectives* Chulanee Attanayake, 2021-01-18 Being an island nation the ocean is never too far from Sri Lanka Situated right at the center of the world's busiest sea lanes of communication the geography connects the country with the Indian Ocean and its destiny is linked to this strategic body of water For centuries the Indian Ocean has been part of Sri Lanka's strategic security and political narratives However over the years the country's involvement in the affairs of the Indian Ocean has retracted due to domestic and regional circumstances Its consciousness of its ocean identity declined when it took an inward orientation which gave greater visibility to its South Asian identity and its own imagination began to pivot towards the Indian hinterland However with the rising importance of the Indian Ocean in geopolitics and with the end of the civil war Sri Lanka's consciousness of its ocean identity has grown Successive governments have formulated policies that would have paved its way to become the hub of the Indian Ocean making the ocean the center of its economic development maritime security and defense relations Amidst this backdrop this book explores historical and contemporary perspectives on Sri Lanka's relations with the Indian Ocean

The Political Economy of Conflict and Violence against Women Kumudini Samuel, Claire Slatter, Vagisha Gunasekara, 2019-08-15 The Political Economy of Conflict and Violence against Women shows how political economic social and ideological processes intersect to shape conflict related gender based violence against women Through feminist interrogations of the politics of economies struggles for political power and the gender order this collection reveals how sexual orders and regimes are linked to spaces of production Crucially it argues that these spaces are themselves firmly anchored in overlapping patriarchies which are sustained and reproduced during and after war through violence that is physical as well as structural Through an analysis of legal regimes and structures of social arrangements this book frames militarization as a political economic dynamic developing a radical critique of liberal peace building and peace making that does not challenge patriarchy or modes of production and accumulation
