Nutrition For Intuition:

Nutrition for Intuition Doreen Virtue, Robert Reeves (Naturopath), 2016 Nutrition for Intuition shows the connection between what we eat and our spiritual abilities Previous books have spoken about how to become psychic and how to trust your intuition through meditation prayer and so on And of course these methods are extremely effective However this book is different because it recognizes that meditation alone may not change your intuition if you continue to ingest unhealthy low vibration foods Nutrition for Intuition speaks about how to enhance your natural gifts by combining good dietary practices with energizing spiritual techniques This book also covers the pineal gland and its connection to clairvoyance as well as the energetic properties of nutritional supplements like zinc and magnesium Readers will learn exactly what to eat and drink to increase their intuition and what to avoid in their diets

The Index ... Francis Ellington Abbot, William James Potter, Benjamin Franklin Underwood, 1872 *Feeding Your Intuition* Laura LaBrie, Melissa Rippetoe, 2018-06-08 Laura LaBrie founder of The Happify Project and Melissa Rippetoe a hospital pharmacist team up to bring science and spirituality together in FEEDING YOUR INTUITION They met in a little fishing village in Mexico and soon they were discussing the secrets of the universe over a beer in a Mexican beach bar Together they posed the question Why do the indigenous people of Latin America have such strong spiritual sight and well developed intuition while the people of the US and Canada

struggle in these areas The answer led them down Alice s rabbit hole past modern medical practices around symbols in ancient art past traditions found in nearly every civilization on earth through cutting edge new sciences over anecdotal cultural evidence and finally into the kitchen FEEDING YOUR INTUITION is a foodies guide to better intuition It is a cookbook packed with delicious recipes that will help increase your spiritual sight Just imagine recipes for mahi mahi smothered in orange tamarind sauce strawberry and goat cheese salad and traditional Mexican spiced raw chocolate increasing your psychic powers and boosting your clairvoyant vision How can food strengthen your intuition The answer is a surprisingly simple You were not designed with only five senses sight sound taste touch and smell You were born with six senses But by the time you got into your teenage years your sixth sense your intuition began to fade noticeably It s almost like you slowly went blind You lost your ability to see not just into other dimensions not just into the past or the future but into the foundational connection of all things The loss of this sense of intuition is a devastating thing It leaves you feeling isolated and alone You feel adrift in an obscure universe untethered floating like a helium balloon twisting and turning at the mercy of currents beyond our control BUT THERE IS HOPE You did not slowly lose your natural psychic abilities because of some unexplainable force You lost your ability to intuit because of a simple and scientific reason Pineal calcification What and where is your pineal gland It is a tiny pinecone shaped gland in the middle of your brain that has rods and cones and is light sensitive just like your eyes In fact many ancient and modern cultures call it your third eye Of course you need your third eye so you can see past this material plane and read energies you can t see with your regular eyes If your pineal gland function is compromised your spiritual eyes will be compromised as well Toxins like fluoride chlorine and mercury cause your pineal gland to develop tiny calcium crystals that make it hard and unusable But thankfully you can decalcify your pineal gland You can restore your spiritual vision by eating a diet rich in foods packed with vitamin K iodine and boron Add to that some raw cacao tamarind lots of cilantro mango beet apple cider vinegar and turmeric and those third eye crystals will begin to disappear You will be able to flex your spiritual muscles and see your intuitive feeling restored Just imagine how nice it will feel to have full use of your sixth sense again All this time you have been asking yourself Am I intuitive You have been wondering if there was anything you could do to increase your spiritual sight Well the answer is YES You ARE naturally intuitive and you CAN do something to increase the power of your intuition You can eat more chocolate Best prescription ever right So take some time to go through these easy vegetarian recipes and simple soups and seafoods And make sure to check out the healthy desserts and exotic beverages too Because visual spiritual healing is possible and your intuitive skills can be restored You CAN eat your way to a healthy third eye And it tastes delicious
