## **The Nightmare Years 1930 40 William L Shirer:**

The Nightmare Years, 1930-1940 William L. Shirer, 2001 As European correspondent for a number of American newspapers during the 1930s William L Shirer witnessed at first hand many of the pivotal events in the buildup to World War II At the Nuremberg rallies when Hitler roared through the streets celebrating his newly won domination of Germany Shirer was there In Munich as Chamberlain abandoned the Czechs Shirer was there In Vienna during the night of the Anschluss in Berlin when Hitler loosed his Blitzkrieg on Poland and began the war Shirer was there Through articles broadcasts and translations of Hitler s speeches Shirer tirelessly tried to warn the world of the terrible evil that was growing in Germany The Nightmare Years a No 1 bestseller when first published in America in 1984 is not only the fascinating eyewitness account of this cataclysmic decade but also the more personal story of a young American caught in tense and desperate times struggling to survive and provide a life for himself and his family as the world lurched inexorably towards war More than any conventional history book Shirer s memoirs let a reader relive history People A superb journalist Shirer was close enough to Hitler to feel the Nazi leader s messianic personal force An unusually fine book Time No one ever did more to explain the rise of the Nazis Barbara Tuchman An outstanding achievement of journalistic history indeed it is the best kind of accurate and absorbing history Washington Post

**The Nightmare Years, 1930-1940** William L. Shirer, 1992-06-01 The author of The Rise and Fall of the Third Reich chronicles the years 1930 to 1940 discussing the emergence of Hitler in Europe the workings of the Nazis and the war Reprint

**The Nightmare Years, 1930-1940** William L. Shirer, 2014-01-30 The famous journalist and author of The Rise and Fall of the Third Reich documents his front row seat at the pivotal events leading up to World War II In the second of a three volume series William L Shirer tells the story of his own eventful life detailing the most notable moments of his career as a journalist stationed in Germany during the rise of the Third Reich Shirer was there while Hitler celebrated his new domination of Germany unleashed the Blitzkrieg on Poland and began the conflict that would come to be known as World War II This remarkable account tells the story of an American reporter caught in a maelstrom of war and politics desperately trying to warn Europe and the United States about the dangers to come This memoir gives readers a chance to relive one of the most turbulent periods in twentieth century history painting a stunningly intimate portrait of a dangerous decade Mr Shirer stirs the ashes of memory in a personal way that results in both a strong view of world events and of the need for outspoken journalism Had Mr Shirer been merely a bland objective reporter without passion while covering Hitler s Third Reich this book and his other histories could never have been written The New York Times

*The Nightmare Years 1930-1940* In the second of a three volume series Shirer chronicles his time in Europe as Hitler dominated Germany and began one of the most dangerous conflicts in world history

*A Native's Return 1945-1988* The most personal of the three volumes this edition offers an honest look at the many personal and professional setbacks Shirer experienced after World War II ended and delivers a fascinating take on the aftermath of the war

Series praise Mr Shirer stirs the ashes of memory in a personal way that results in both a strong view of world events and of the need for outspoken journalism Had Mr Shirer been merely a bland objective reporter without passion while covering Hitler's Third Reich this book and his other histories could never have been written

The New York Times Included in Shirer's well wrought narrative are such little known events as the trials of American broadcasters who propagandized for the Third Reich during WWII as well as such more familiar matters as the McCarthyism of the 1950s The author's comments are refreshingly unfettered by self consciousness A fine fitting conclusion to an important work of autobiography
