Mustazza,2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens s A Christmas Carol and Hawthorne s The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon s Jr s The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby s About a Boy and each of Helen Fielding s Bridget Jones s Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary

From the beginning horror has been part of the cinema landscape Despite some of the earliest genre films with gay directors such as F W Murnau Nosferatu and James Whale Frankenstein The Invisible Man Bride of Frankenstein LGBTQIA characters have rarely been portrayed in full view For decades filmmakers have included coded content in their films with the homosexual experience translated into censor friendly subtext for consumption by general audiences Gradually LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience s tastes and attitudes Likewise more and more LGBTQIA writers and directors have begun to offer their queer

centric takes on scary movies and today queer horror is a thriving film genre With more than 900 entries this critical filmography is a comprehensive critical yet playful examination of the history of LGBTQIA content in horror films Eight journalistic contributors dig into every era of scary movies including the early silents pre and post Hays Code content grindhouse sleaze LGBTQIA indies and megaplex studio releases From Whale s The Old Dark House 1932 to Don Mancini s Chucky films and everything in between this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry
