**The Teleportation Accident** Ned Bauman, 2013-02-26 Long listed for the 2012 Man Booker Prize The Teleportation Accident is a hilarious sci fi noir about sex Satan and teleportation devices When you haven t had sex in a long time it feels like the worst thing that could ever happen If you re living in Germany in the 1930s it probably isn t But that s no consolation to Egon Loeser whose carnal misfortunes will push him from the experimental theaters of Berlin to the absinthe bars of Paris to the physics laboratories of Los Angeles trying all the while to solve two mysteries Was it really a deal with Satan that claimed the life of his hero Renaissance set designer Adriano Lavicini creator of the so called Teleportation Device And why is it that a handsome clever modest guy like him can t just once in a while get himself laid Ned Bauman has crafted a stunningly inventive exceptionally funny dangerously unsteady and largely coherent novel about sex violence space time and how the best way to deal with history is to ignore it [The Teleportation Accident. Ned Bauman](#) Ned Bauman, 2013-06

Egon Loeser s carnal misfortunes will push him from the experimental theatres of Berlin to the absinthe bars of Paris to the physics laboratories of Los Angeles trying all the while to solve the mystery of whether it was really a deal with Satan that claimed the life of his hero Adriano Lavicini [Anglo-German Entanglements in English Fiction](#) Daniela Keller, 2026-01-22 A fresh and timely look at Anglo German relations in English fiction from the Cold War to Brexit **Constructing Coherence in the British Short Story Cycle** Patrick Gill, Florian Kläger, 2018-05-11 The first major collection of essays on the contemporary British short story cycle this volume offers in depth explorations of the genre by comparing its strategies for creating coherence with those of the novel and the short story collection inquiring after the ties that bind individual short stories into a cycle A section on theory approaches the form from the point of view of genre theory cognitive literary studies and book studies It is followed by investigations of hitherto neglected aspects of the generic tradition of the British short story cycle and how they relate to the contemporary outlook of the form Readings of individual contemporary cycles illustrating the form s multifaceted uses from the presentation of sexual identities to politics and trauma make up the third and most substantial part of the volume placing its focus squarely on the past decades Unique in its combination of a focus on the literary traditions politics and markets of the UK with a thorough examination of the genre s manifold formal and thematic potentials the volume explores what is at the heart of the short story cycle as a literary form the constant negotiation between unity and separateness collective and individual of coherence and autonomy [The Literary Review](#) , 2012 [The Year's Best Science Fiction: Thirty-Third Annual Collection](#) Gardner Dozois, 2016-07-05 Presents some of the best science fiction short stories written in 2015 **Boxer, Beetle** Ned Bauman, 2011-09-13 Kevin Fishy Broom has his nickname for a reason a rare genetic condition that makes his sweat and other bodily excretions smell markedly like rotting fish Consequently he rarely ventures out of the London apartment where he deals online in Nazi memorabilia But when Fishy stumbles upon a crime scene he finds himself on the long cold trail of a pair of small time players in interwar British history

First there's Philip Erskine a fascist gentleman entomologist who dreams of breeding an indomitable beetle as tribute to Reich Chancellor Hitler's glory all the while aspiring to arguably more sinister projects in human eugenics And then there's Seth Sinner Roach a homosexual Jewish boxer nine toed runtish brutish but perfect in his way who becomes an object of obsession for Erskine professionally and most decidedly otherwise What became of the boxer What became of the beetle And what will become of anyone who dares to unearth the answers First time novelist Ned Beaman spins out a dazzling narrative across decades and continents weaving his manic fiction through the back alleys of history Boxer Beetle is a remarkably assured wildly enjoyable debut **Madness is Better than Defeat** Ned Beaman,2017-08-24 In 1938 two rival expeditions set off for a lost Mayan temple in the jungles of Honduras one intending to shoot a screwball comedy on location there the other intending to disassemble it and ship it back to New York A seemingly endless stalemate ensues and twenty years later when a rogue CIA agent learns that both expeditions are still out in the wilderness he embarks on a mission to exploit the temple as a geopolitical pawn But the mission hurtles towards disaster when he discovers that the temple is the locus of grander conspiracies than anyone could have guessed **Glow** Ned Beaman,2015-01-20 South London May 2010 foxes are behaving strangely Burmese immigrants are going missing and everyone is trying to get hold of a new party drug called Glow A young man suffering from a rare sleep disorder will uncover the connections between all these anomalies in this taut riveting new novel by a young writer hailed by The Guardian as playful arresting unnerving opulent rude and above all deliciously startlingly exuberantly fresh Twenty two year old Raf spends his days walking Rose a bull terrier who guards the transmitters for a pirate radio station and his nights at raves in warehouses and launderettes When his friend Theo vanishes without a trace Raf's efforts to find him will lead straight into the heart of a global corporate conspiracy Meanwhile he's falling in love with a beautiful young woman he met at one of those raves but he'll soon discover that there is far more to Cherish than meets the eye Combining the pace drama and explosive plot twists of a thriller with his trademark intellectual linguistic and comedic pyrotechnics Glow is Ned Beaman's most compelling virtuosic and compulsively readable novel yet *Talking Book Topics* ,2014-11 **Kaapse bibliotekaris** ,2014 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 [Venomous Lumpsucker](#) Ned Beaman,2022-07-12 A dark and witty story of environmental collapse and runaway capitalism from the Booker listed author of The Teleportation Accident The near future Tens of thousands of species are going extinct every year And a whole industry has sprung up around their extinctions to help us preserve the remnants or perhaps just assuage our guilt For instance the biobanks secure archives of DNA samples from which lost organisms might someday be resurrected But then one day it's all gone A mysterious cyber attack hits every biobank simultaneously wiping out the last traces of the perished species Now we're never getting them back Karin Resaint and Mark Halyard are concerned with one species in particular the venomous lumpsucker a small ugly bottom feeder that happens to be the most intelligent fish on the planet Resaint is an animal cognition scientist consumed with existential grief over what humans have

done to nature Halyard is an exec from the extinction industry complicit in the mining operation that destroyed the lumpsucker's last known habitat Across the dystopian landscapes of the 2030s a nature reserve full of toxic waste a floating city on the ocean the hinterlands of a totalitarian state Resaint and Halyard hunt for a surviving lumpsucker And the further they go the deeper they're drawn into the mystery of the attack on the biobanks Who was really behind it And why would anyone do such a thing Virtuoso and profound witty and despairing *Venomous Lumpsucker* is Ned Beaman at his very best

*Glow* Ned Beaman, 2016-01-26 South London foxes are behaving strangely Burmese immigrants are going missing and everyone is trying to get hold of a new party drug called Glow Raf a young man who suffers from a rare sleep disorder spends his days walking Rose a bull terrier who guards a pirate radio station and his nights at raves in warehouses and laundrettes When his friend Theo vanishes without a trace Raf's efforts to find him lead straight into the heart of a global corporate conspiracy Meanwhile he's falling in love with Cherish a beautiful young woman he met at one of those raves but he'll soon discover that there is far more to her than meets the eye

*The Captive* Kit Burgoyne, 2025-09-30 From a new voice in horror comes a satirical Rosemary's Baby for our conspiratorial present in which anti-capitalist activists unwittingly unleash terrifying demonic forces when they kidnap a pregnant heiress From Ned Beaman the Man Booker Prize longlisted author of *The Teleportation Accident* and Clarke Award winning author of *Venomous Lumpsucker* For months Luke and his underground revolutionary group have been planning their biggest operation yet kidnapping 23-year-old Adeline Woolsaw They don't want a ransom they want to expose the Woolsaw Group the source of Adeline's parents' enormous wealth a vast yet largely anonymous company that runs everything from military bases and mental hospitals to commuter trains call centers and prisons But the revolutionaries get a shock when they bundle Adeline into their van She's about to go into labor And she may not object to being kidnapped if it allows her and the baby to escape her despotic parents It quickly becomes apparent that this is no ordinary child He's capable of setting off deadly weather events and summoning plagues of vermin And that's just the beginning Luke discovers

that Adeline's parents engineered the pregnancy as part of a dark bargain with an ancient evil of nearly limitless power. Now the Woosaws and their henchmen will stop at nothing to get the infant back so they can establish an infernal new kingdom on Earth with their grandchild on the throne. Kit Burgoyne pen name of Booker listed author Ned Beaman is a ruthlessly funny new voice in horror, witty, appalling, and as adept at skewering today's plutocratic overlords as he is at conjuring our most primeval nightmares.

**El accidente del teletransporte** Ned Beaman, 2013-11-21 Hilarante. Una novela que es al mismo tiempo seriamente inteligente y seriamente divertida. Tim Martin The Daily Telegraph Infinitamente ingeniosa y furiosamente imaginativa. Beaman a sus veintisiete años se consolida como un escritor consumado y formidable. El autor hace ostentación de una manera casi indecente de lo que disfruta con las palabras. Un libro deslumbrante y entretenido brillante e inteligente. Washington Post La historia es algo que sucede mientras estás colgado. Por eso a pesar de que El accidente del teletransporte empieza en Berlín y en pleno auge del nazismo no es una novela sobre los nazis. Egon Loeser tiene dos obsesiones: volver a hacer el amor con una mujer y montar un escenario que reproduzca un artilugio inventado en el Renacimiento que era capaz de mover a los actores en el espacio y en el tiempo. Una novela de aventuras culta, llena de guiños históricos y sobre todo divertidísima. Las peripecias del protagonista nos llevan a las fiestas del Berlín de los años treinta donde en cualquier momento puede aparecer Bertolt Brecht, el París de Hemingway y Picasso y al Los Ángeles de los judíos exiliados, los millonarios y los excomunistas. Un homenaje a la imaginación.

**L'accident de téléportation** Ned Beaman, 2015-01-08 Egon Loeser n'est pas un héros banal. C'est un obsédé sexuel mais il ne couche jamais ou presque. Il est obnubilé par une jeune femme Adele. Hitler aucun rapport avec Adolf plongé dans la débâcle la plus totale. Il est aussi obsédé par la téléportation mais toutes ses tentatives de mettre en scène une machine capable de ce prodige chouent lamentablement. On suit ce drôle de type de 1931 à 1962 de Berlin Paris en passant par Los Angeles et Washington D C. Il est le jouet des événements et des rencontres dans ce roman qui fourmille astucieusement de personnages secondaires jubilatoires. Loeser ne maîtrise pas grand-chose participe même un autodafé Berlin en 1933 pensant qu'il s'agit d'une joyeuse réunion d'étudiants. Il n'est pas loin de se prendre pour un justicier sorti tout droit des pages d'un roman noir. Mais demeure cette grande question: arrivera-t-il à faire l'amour avec Adele?
