## **The Trial Of Jomo Kenyatta:**

The Trial of Jomo Kenyatta Montagu Slater,1955 Describes the trial and conviction of Jomo Kenyatta on the charge of being the leader of the Mau Mau in British Kenya Dust jacket **The Trial of Jomo Kenyatta** Santha Rama Rau,1956  
*The Truth about the Trial of Jomo Kenyatta* Rawson Macharia,1991 **The Struggles and Trial of Jomo Kenyatta** ,

Colonial Office,Great Britain. Public Record Office,1958 **Black Iconography and Colonial (re)production at the ICC**  
Stanley Mwangi Wanjiru,2022-11-25 This book explores the reproduction of colonialism at the International Criminal Court  
ICC and examines international criminal law ICL vs the black body through an immersive format of art music poetry and  
architecture and post colonial critical race theory lens Taking a multi disciplinary approach the book interrogates the  
operationalisation of the Rome Statute to detail a Eurocentric hegemony at the core of ICL It explores how colonialism and  
slavery have come to shape ICL exposing the perpetuation of the colonial and warns that it has ominous contemporary and  
future implications for Africa As currently envisaged and acted out at the ICC this law is founded on deceptive and colonial  
ideas of what is wrong in with the world The book finds that the contemporary ICL regime is founded on white supremacy  
that corrupts the law s interaction with the African The African is but a unit utilised by the global elite to exploit and extract  
resources From time to time these alliances disintegrate with ICL becoming a retaliatory tool of choice What is at stake is  
power not justice This power has been hierarchical with Eurocentrism at the top throughout modern history Colonialism is  
seen not to have ended but to have regerminated through the foundation of the independent African state The ICC  
reproduces the colonial by use of European law and ultimately the over representation of the black accused To conclude the  
book provides a liberated African forum that can address conflicts in the content with a call for the end of the ICC s  
involvement in Africa The demand is made for an African court that utilises non colonising African norms which are uniquely  
suited to address local conflicts Multidisciplinary in nature this book will be of great interest to students and scholars of  
international criminal law criminal justice human rights law African studies global social justice sociology anthropology  
postcolonial studies and philosophy *Literature and Human Rights* Ian Ward,2015-03-10 The idea of human rights is not  
new But the importance of taking rights seriously has never been more urgent The eighteen essays which comprise  
*Literature and Human Rights* are written as a contribution to this vital debate Each moreover is written in the spirit of  
interdisciplinarity reaching across the myriad constitutive disciplines of law literature and the humanities in order to present  
an array of alternative perspectives on the nature and meaning of human rights in the modern world The taking of human  
rights seriously it will be suggested depends just as much on taking seriously the idea of the human as it does the idea of  
rights *Kenya National Assembly Official Record (Hansard)* ,1961-05-11 The official records of the proceedings of the
