**Riot On Sunset Strip** Domenic Priore, 2007-07-12 On the Sunset Strip in Los Angeles in 1965 and 1966 an electrifying scene appeared out of nowhere exploded into creativity and then just as suddenly vanished So much remarkable music art and social revolution came from one place at one time it's difficult now to grasp how it all happened In that moment rock n roll displaced movies as the centre of action in Hollywood This book tells the story of that astonishing time The nightlife was a heady mix of modernist design pop art and beat aesthetics From the moment The Byrds debuted at Ciro's on March 26th 1965 with Bob Dylan joining them on stage right up to the demonstrations of November 1966 Sunset Strip nightclubs nurtured and broke The Doors Love Buffalo Springfield Frank Zappa's Mothers Of Invention Captain Beefheart His Magic Band The Turtles The Mamas The Papas and many others The Strip was a hotbed for garage punk bands such as The Standells The Seeds The Music Machine and The Electric Prunes Folk rock and psychedelia were born there and it was a favourite hangout and inspiration for The Beatles The Rolling Stones Them The Velvet Underground and The Yardbirds Pop art and rock n roll combined and the new fusion quickly permeated television animation and New Hollywood's indie cinema

**Index-catalogue of the Library of the Surgeon-General's Office, United States Army** National Library of Medicine (U.S.),1961 The Educational Times ,1878 **Index-catalogue of the Library ...** Library of the Surgeon-General's Office (U.S.),1959 *Katalog Der Mittelalterlichen Miniaturen Des Germanischen Nationalmuseums* Germanisches Nationalmuseum Nürnberg,Ernst Wilhelm Brecht,1903 *Crossover Picturebooks* Sandra L. Beckett,2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children s genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children s books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children s literature as a whole *Monthly Bulletin of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1916 **the educational times** ,1878 *Catalog of Printed Books of the Folger Shakespeare Library, Washington, D.C.* Folger Shakespeare Library,1970 **Communist Propaganda at School** Joanna Wojdon,2021-05-10 Communist Propaganda at School is based on an analysis of reading primers from the Soviet bloc and recreates the world as presented to the youngest schoolchildren who started their education between 1949 and 1989 across the nine Eastern European countries The author argues that those first textbooks from their first to last pages were heavily laden with communist propaganda and that they share similar concepts techniques and even contents even if some national specificities can be observed This volume reconstructs the image of the world presented to schoolchildren in the first books they were required to read in their school life and argues that the image was charged with communist propaganda The book is based on the analysis of over sixty reading primers from nine countries of the Soviet bloc Albania Bulgaria Czechoslovakia the German

Democratic Republic Hungary Poland Romania the Soviet Union and Yugoslavia from the period Written with simplicity and straightforwardness this book will be a valuable resource not only to international academics dealing with the issues of propaganda censorship education childhood and everyday life under communism in Eastern and Central Europe but can also academics dealing with education under communism or with the content of primary education It also brings educational experiences of the Soviet bloc to international researchers in particular to researchers of education under totalitarian and authoritarian regimes *Books in Print* ,1994
