The Mechatronics Handbook - 2 Volume Set Robert H. Bishop,2018-10-08 The first comprehensive reference on mechatronics The Mechatronics Handbook was quickly embraced as the gold standard in the field From washing machines to coffeemakers to cell phones to the ubiquitous PC in almost every household what these days doesn't take advantage of mechatronics in its design and function In the scant five years since the initial publication of the handbook the latest generation of smart products has made this even more obvious Too much material to cover in a single volume Originally a single volume reference the handbook has grown along with the field The need for easy access to new material on rapid changes in technology especially in computers and software has made the single volume format unwieldy The second edition is offered as two easily digestible books making the material not only more accessible but also more focused Completely revised and updated Robert Bishop's seminal work is still the most exhaustive state of the art treatment of the field available

Acing the CCNA Exam, Volume 1 Jeremy McDowell,2024-08-13 Acing the CCNA Exam is a comprehensive detailed guide to passing the Cisco Certified Network Associate CCNA exam and kickstarting your career in IT networking and systems administration
