**House of Trump, House of Putin** Craig Unger, 2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump s inauguration as president of the United States That moment was the culmination of Vladimir Putin s long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater

to name a few ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth

Dressed in Black Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly Dressed in Black radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant
