Education of Cancer Healing Vol. VI - Mavericks Peter Havasi, *Education of Cancer Healing Vol. IX - The Best Of* Peter Havasi, 2013-06-14 The Education of Cancer Healing is the MOST comprehensive and COMPLETE study collection on the history of cancer healing on the market today Totaling more than 2500 pages filled with invaluable information this magnum opus holds answers to your questions regarding cancer and many other diseases These books give you information which is in fact a HEALING DYNAMITE covered by thousands of scientific and medical studies independent professionals and dozens of patient and witness testimonials With this masterwork I am giving you the BEST of my own research the product of 300 000 and the result of more than 20 000 hours of exhaustive and careful research in the field of cancer My mission is to give you THE SUPER KNOWLEDGE the foundation for super powers that are within you so that you can heal yourself of cancer and any other disease and live your life to the fullest potential I will be your guide on your way to POWERFUL HEALTH

Waking Up from the Cancer Trance Judith Lee Dew, 2019-02-01 The author studied the works of early doctors scientists and genius laypeople who spent years studying different theories about the nature of cancer Many of them had high success rates with patients who d been sent home to die after being exposed to conventional therapies Then she found doctors who have studied the work of these early and later cancer pioneers who have high success rates in their cancer practices now When cancer is not a mystery it does not have to be a death sentence

The Intersection of Star Culture in America and International Medical Tourism Kathy Merlock Jackson, Lisa Lyon Payne, Kathy Shepherd Stolley, 2015-12-24 Celebrity culture health care and travel attract attention in America s media saturated society These worlds curiously intersect in the study of medical tourism Although the US touts some of the finest and best known medical facilities in the world many jet setting A list celebrities who can well afford the finest of health care seek treatment far away from home popularizing international sites physicians and procedures These travelers whose every move is chronicled by the media both reflect and influence health care concerns in America An analysis of these high profile cases of celebrities with both life threatening and non life threatening conditions sheds light on the link between medical tourism and celebrity showing how health care and entertainment intersect and the American public responds The Intersection of Star Culture in America and International Medical Tourism Celebrity Treatment argues that celebrity cases and media content drive awareness of medical tourism among Americans at a time when the medical system is under intense scrutiny By popularizing international sites for treatment procedures not available in the US and different approaches to patient care media narratives present options for health care triggering dialogue on one of America s most important human welfare issues
