in the epic often misunderstood and relegated to the margins Kaikeyi Surpanakha Mandodari A powerful comment on duty betrayal infidelity and honour it is also about women s struggle to retain autonomy in a world that privileges men as Chitra transforms an ancient story into a gripping contemporary battle of wills While the Ramayana resonates even today she makes it more relevant than ever in the underlying questions in the novel How should women be treated by their loved ones What are their rights in a relationship When does a woman need to stand up and say Enough
