James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster, 2017-08-24 THE SUNDAY TIMES BESTSELLER I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman. Richard Herring. James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU. But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo playing conspiracy theorist, and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened James Acaster's classic scrapes. Here in his first book, James recounts these tales, including never-before-heard stories along with self-penned drawings in all their glorious stupidity. **Life's a Joke** Dr. J. T. Dock Houk, 2015-12-17 Sometimes life hands you lemons. In this collection of jokes, autobiography, and personal philosophy, author and businessman Dr. J. T. Dock Houk makes an ocean of lemonade. Life's a Joke compiles four books: It's All About Me, My Life with a Girl, Kids and Pets, and Life Around Us, recounting 1,162 jokes, funny anecdotes, and descriptions of Sunday morning comics clippings of which Dock has been collecting for an incredible amount of decades. As the author writes, "What I mean to convey by saying life is a joke is that humor has helped me over some of the rough spots by showing me a side of life that either explains what I am feeling or gives me a glimpse of something I also see." Humor, whose visual expression is often a joke, makes me smile or even laugh out loud. And sometimes if you don't laugh, you might cry. So crack open Life's a Joke and crack a smile. You might learn a little wisdom, but if not, at least you'll get a laugh. *Beijing Time* Michael Dutton, Hsiu-ju Stacy Lo, Dong Dong Wu, 2010-05-01 Where is the market? inquires the tourist. One dark, chilly morning, Follow the Ghosts responds, the taxi driver indicating a shadowy parade of overloaded tricycles. It's not called the Ghost Market for nothing. And indeed, Beijing is nothing if not haunted. Among the soaring skyscrapers, choking exhaust fumes, nonstop traffic jams, and towering monuments, one discovers old Beijing, newly styled, perhaps, but no less present and powerful than in its ancient incarnation. Beijing Time conducts us into this mysterious world, at once familiar and yet alien to the outsider. The ancient Chinese understood the world as enchanted, its shapes revealing the mythological order of the universe. In the structure and detail of Tiananmen Square, the authors reveal the city as a whole. In Beijing, no pyramids stand as proud remnants of the past; instead, the entire city symbolizes a vibrant civilization. From Tiananmen Square, we proceed to the neighborhoods for a glimpse of local color, from the granny and the young police officer to the rag picker and the flower vendor. Wandering from the avant-garde art market to the clock towers, from the Monumental Axis to Mao's Mausoleum, the book allows us to peer into the lives of Beijingers, the rules and rituals that govern their reality, and the mythologies that furnish their dreams. Deeply immersed in

the culture everyday and otherworldly this anthropological tour from ancient cosmology to Communist kitsch allows us to see as never before how the people of Beijing and China work and live [New York Magazine](#) ,1997-04-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **SPIN** ,2007-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks [The Oxford Handbook of Community Singing](#) Esther M.
