All Dogs Go to Kevin Jessica Vogelsang, 2015-03-10. With humor, grace, and a wonderfully deft way with words, this veterinarian's memoir is engrossing, often amusing, and always well told. USA Today: You can't always count on people, but you can always count on your dog. No one knows that better than veterinarian Jessica Vogelsang. With the help of three dogs, Jessica is buoyed through adolescence, veterinary school, and the early years of motherhood. Taffy, the fearsome Lhasa, Emmett, the devil may care Golden, and Keko, the neurotic senior Labrador, are always by her side, educating her in empathy and understanding for all the oddballs and misfits who come through the vet clinic doors. Also beside her is Kevin, a human friend who lives with the joie de vivre most people only dream of having. From the clueless canine who inadvertently reveals a boyfriend's wandering ways to the companion who sees through a new mother's smiling facade, Jessica's stories from the clinic and life show how her love for canines lifts her up and grounds her too. Above all, this book reminds us, with gentle humor and honesty, why we put up with the pee on the carpet, the chewed up shoes, and the late night trips to the vet, because the animals we love so much can, in fact, change our lives. In a manner reminiscent of author veterinarian James Herriot, Vogelsang shares stories of her canine patients and their human families with kindness and compassion. Publishers Weekly: A feel good, bittersweet memoir. Kirkus
