

A landscape photograph at sunset. The sun is low on the horizon, creating a bright orange and yellow glow. The sky transitions from orange near the horizon to a clear blue at the top. In the foreground, there is a green field. In the middle ground, a silhouette of a bridge with several vertical supports is visible against the sunset. The overall scene is peaceful and serene.

**Christian Foundations: Basic Teachings** Willis C. Newman, 2010-04-30 The purpose of these foundation to Christian doctrines is to introduce new believers to the evangelical Christian Faith The studies are interdenominational in nature and brief in content The theology is conservative and evangelical reflecting those core teachings held dear by the Bible believing church through the centuries Denominational distinctives have been avoided **Christian Foundations** Willis Newman, 2018-02-18 The purpose of these Christian Foundations is to introduce new believers to the evangelical Christian Faith The studies are interdenominational in nature and brief in content The theology is conservative and evangelical reflecting those core teachings held dear by the Bible believing church through the centuries Denominational distinctives have been avoided *The Six Foundation Teachings Of Jesus Christ* John Lemmon, 2019-09-19 How many Christians come to Christ and never get the foundational teachings of Jesus Christ Too many And like the foundations of a house this should happen right at the beginning of the process Is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion When businesses and governments find things are becoming too complex what do they say Usually they say they need to get back to basics The basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart You cannot build a house unless there is a solid foundation Likewise you cannot build a Christian unless the spiritual foundations are strong How many Christians suffer How many fall down or fall away How many struggle with their faith especially in the early years when their faith is put to the test Again too many And most of them suffer because their foundations are not strong enough to withstand the storms of life *The Six Foundations* This book aims to address this lack First it identifies what the Bible defines as the six foundations of Jesus Christ not what some preachers wrongly state And second this book provides insights from the Bible on how to use and build on these foundations The Lord Jesus said to the Apostles that He would give them the keys to the kingdom of heaven These six foundations form the basis of those keys When these foundations are in place and working effectively a Christian can withstand any storm or opposition that comes against them Today as we walk with Jesus Christ we need to get back to basics These six foundations are the basic teachings all Christians must learn understand and hold fast as they walk in this world *A Key to Christian Doctrine and Practice Founded on the Church Catechism* John Henry Blunt, 1882 *The SIX BASIC DOCTRINES* Dirk Waren, 2019-09-26 Every believer needs to establish a sound spiritual FOUNDATION because it sets the groundwork for their entire walk with the LORD Just as a good foundation is required for a sound building so a proper spiritual foundation is vital for a victorious Christian life Those who fail to lay a proper foundation are doomed to spiritual immaturity because they have nothing by which to judge what is right or wrong scriptural or unscriptural wise or foolish Simply put a healthy biblical understructure eliminates feeble spirituality Believers who neglect to form a wise foundation can shipwreck their faith altogether as Paul put

it in 1 Timothy 1 19 and find themselves back in the world in spiritual darkness and separate from God That s why this book exists It ll help believers lay a quality understructure so that their faith isn t shipwrecked at some point down the road The Bible details the six basic doctrines of Christianity in Hebrews 6 1 2 where they are described as elementary This means the initial starting point in the Greek In other words these six doctrines come first and are therefore the chief teachings of Christianity They re basic only in the sense that they re foundational and consequently have priority over other doctrines They are the SIX CHIEF DOCTRINES of Christianity
