Classical Music ,2005      The Complete Classical Music Guide DK,2020-08-11 What makes Mozart's music so great? Why does a minor chord sound sad and a major chord sound happy? What's the difference between opera and operetta? From Bach to Bernstein, this definitive guide offers a complete survey of the history of classical music. Whether you already love classical music or you're just beginning to explore it, *The Complete Classical Music Guide* invites you to discover the spirituality of Beethoven's masses, the awesome power of Handel's *Messiah* and the wonders of Wagner's operas, as well as hundreds of more composers and their masterpieces. This guide takes you on a journey through more than 1,000 years, charting the evolution of musical instruments, styles, and genres. Biographies of major and lesser-known composers offer rich insights into their music and the historical and cultural contexts that influenced their genius. The book explores the features that defined each musical era, from the ornate brilliance of the Baroque through the drama of Romantic music to contemporary genres such as minimalism and electronic music. Timelines, quotes, and color photographs give a voice to this music and the exceptionally gifted individuals who created it.      **Classical Music** ,2010 The definitive visual guide to explore 1,000 years of classical music, the composers, and their music.      **The Complete Classical Music Guide** DK,2012-05-01 An essential guide to more than 1,000 years of classical music.
