**Conversations with Ulrich Beck** Ulrich Beck, Johannes Willms, 2014-10-15 In this new book Ulrich Beck and the journalist Johannes Willms engage in a series of accessible conversations that reveal and explore the key elements in Beck's thought Ulrich Beck one of the most important and influential contemporary social thinkers reveals and expands his work in a series of conversations with journalist Johannes Willms These conversations shed new light onto the major themes in Beck's work and provide an insight into some of the commitments and beliefs that they rest upon Includes new thinking on the risk society and on globalisation themes that have put him at the forefront of contemporary debates Written in a clear and lucid way and thus ideal for anyone seeking to come to grips with Beck's work [Conversations with Ulrich Beck](#) ,

**Conversations with Zizek** Slavoj Zizek, Glyn Daly, 2013-08-30 In this new book Slavoj Zizek and Glyn Daly engage in a series of entertaining conversations which illustrate the originality of Zizek's thinking on psychoanalysis philosophy multiculturalism popular cyber culture totalitarianism ethics and politics An excellent introduction to one of the most engaging and controversial cultural theorists writing today Zizek is a Slovenian sociologist who trained as a Lacanian and uses Lacan to analyse popular culture and politics Illustrates the originality of Zizek's thinking on psychoanalysis philosophy multiculturalism popular cyber culture totalitarianism ethics and politics Provides a unique glimpse of Zizek's humour and character and offers new material and fresh perspectives which will be of interest to followers of Zizek's writings *Democratic Theorists in Conversation* J. Gagnon, 2015-12-11 Democracy has changed considerably in recent years to the extent that our contemporary understanding differs greatly from long held democratic values In this collection renowned democratic theorists from Noam Chomsky to Francis Fukuyama give their thoughts on new democratic theory and its implications for the study and practice of democracy **Oxymoron and Pleonasm Conversation on American Critical** Monika

Mitasova, 2021-04-29 Monika Mitasova interviewed an influential group of current American theorists historians and practitioners proposing critical and projective architecture respectively which forms the first book that brings those perspectives together to show the state of current critical and projective theory practice and new alternative actions of designing architecture Interviewed theorists Kenneth Frampton K Michael Hays Mark Wigley Mary Mcleod Beatriz Colomina Stan Allen Joan Ockman Robert Somol Sarah Whiting Michael Speaks Jeffrey Kipnis Sylvia Lavin **Religion, Economics, and Culture in Conflict and Conversation** Laurie M. Cassidy, Maureen H. O'Connell, 2011 Here theologians explore religion economics and culture in our increasingly globalized world The book covers conflicts inherent in conversation embodied conflicts and conversations and expanding boundaries of conversation **Gaia's Revenge** P. H. Liotta, Allan W. Shearer, 2007 Highlighting the connections between climate change and human security this book offers an examination of the meaning of climate change and global warming while maintaining a perspective on the implications of environmental effects on all forms of security national international and human Highlighting the connections between climate change and

human security this book elucidates possible outcomes such as a sudden inability to produce enough food rapidly advancing desertification producing water scarcities where none existed before and greater demands for energy resulting in increased air pollution The destabilising effects of these possibilities create many potential challenges for national security in a globalised world which we may lead to greater military intervention This book offers a broad examination of the meaning of climate change and global warming while maintaining a strategic perspective on the implications of environmental effects on all forms of security national international and human transcending borders and having more to do with basic resources Given the uncertainty surrounding climate change as a specific event the authors argue for recognising the profound social political and human impact that could take place in the coming years While recognising the inherent dangers of prediction the authors effectively present the case that the time to not only recognise but deal with potentially profound outcomes is now

This book puts to the test the prominent claim that social class has declined in importance in an era of affluence choice and  
the waning of tradition Arguing against this view this study vividly uncovers the multiple ways in which class stubbornly  
persists      *Globalization and Utopia* Patrick Hayden,Chamsy El-Ojeili,2009-03-12 Is it possible to create a different and

better world This innovative volume explores debates about the demise of utopia at the end of the twentieth century and examines the potential renewal of political imagination and the utopian impulse today The discussion is set in an enlarged and enriched frame that situates utopianism in relation to the complexities and challenges of globalization Critically investigating many of the unacknowledged assumptions about the inevitability of our current social and political experiences and this collection considers questions of hope and transformation associated with the utopian desire for social change It explores the range of political responses that utopian actors have available in light of globalization ranging from everyday life to global politics from anti consumerism to cyber utopianism This book makes a timely contribution to considering the challenge of imagining a different and better way of living in a global age

*The Civil Contingencies Act 2004* Clive Walker, Jim Broderick, 2006 The Civil Contingencies Act 2004 marks an important recognition of the increasingly vital agendas of risk and resilience within our society The United Kingdom has long had legislation dealing with limited types of risk in certain situations Most prominent and controversial has been the recent legislation about terrorism but there have also existed other statutes to deal with problems such as debilitating industrial strikes power and water supply emergencies and food chain disasters However more recent disturbing events namely the fuel strikes of 2000 the catastrophic terrorist attacks of 2001 and threat of further attack through chemical and biological weapons the foot and mouth outbreak of 2001 and climate change with its associated risks of floods and drought have rendered a more comprehensive approach to risk and resilience within the United Kingdom essential This book provides a detailed exploration of the Civil Contingencies Act 2004 and its supporting documentation It describes and analyses recent changes by providing a full commentary on all parts of the Act Part I covers the planning aspects and Part II explores the more reactive and controversial regulatory emergency powers Part III deals with the implementation of the Act including management structures and resources and the operational and organisational concerns which the legislation is intended to address The theoretical and legislative contexts of the Act are also examined including its impacts on constitutional and human rights issues The commentary provides a vital understanding of the civil protection and emergency response functions in the UK and the appendices include the full text of the Act together with other official documentation

*The Politics of Cultural Work* Mark Banks, 2007-11-09 What is cultural work How are we to understand the art commerce relation The Politics of Cultural Work answers these questions through a wide ranging study of labour in the cultural industries It critically evaluates how various sociological traditions including critical theory governmentality and liberal democratic approaches have sought to theorize the creative cultural worker in art music media and design based occupations It evaluates whether the cultural worker should be seen as a creative autonomous subject or as a mere victim of the culture industry
