### **Corporate Finance Student Value Edition 3rd Edition:**

*Corporate Finance, Student Value Edition* Jonathan Berk, Peter DeMarzo, 2013-02-06      *Global Corporate Finance: A Focused Approach (Third Edition)* Kenneth A Kim, Suk Hi Kim, 2019-11-28

Global Corporate Finance 3rd edition written by a son father team introduces students and practitioners to principles essential to the understanding of global financial problems and the policies that global business managers contend with. The objective of this book is to equip current and future business leaders with the tools they need to interpret the issues to make sound global financial decisions and to manage the wide variety of risks that modern businesses face in a competitive global environment. In line with its objective, the book stresses practical applications in a concise and straightforward manner without complex treatment of theoretical concepts. Instructors who want students to possess practical job oriented skills in international finance will find this unique textbook ideal for their needs. Suitable for both undergraduate and graduate level courses in international finances, this book is clearly the go to book on one of the most important aspects of corporate finance. Supplementary materials are available to instructors who adopt this textbook. These include [Corporate Finance](#) CFA Institute, 2022-11-08. The complete guide to corporate finance for today's practitioners from CFA Institute. After ten years, the third edition of the CFA Institute Investment Series Corporate Finance text has arrived with a decisive focus on the needs of today's investment professionals. Now titled *Corporate Finance: Economic Foundations and Financial Modeling*, this third edition outlines the essential tools, concepts, and applications within the discipline of corporate finance that businesses need to thrive. New and refreshed content on Environmental, Social, and Governance (ESG) considerations alongside foundational coverage of capital structure and measures of leverage empower readers to support the growth of their organizations and develop the skills to succeed in our current corporate world. Six new chapters expand this updated discussion of corporate finance via topics such as corporate structures and ownership, capital investments, business models, and risks, corporate restructuring, and more. The companion workbook, sold separately, offers problems and solutions aligning with the text and allows learners to test their comprehension of key concepts. Through *Corporate Finance: Economic Foundations and Financial Modeling*, 3rd Edition, readers will become proficient in the following areas: Corporate structures and governance, Capital budgeting, Cost of capital, Measures of leverage, Business models, risks, and restructurings. CFA Institute is the world's premier association for investment professionals and the governing body for the CFA Program, CIPM Program, CFA Institute ESG Investing Certificate, and Investment Foundations Program. Those seeking a deeper understanding of the fundamentals behind corporate finance will value the level of expertise CFA Institute brings to the discussion, providing a clear, comprehensive resource for students and professionals alike.
