## Counterfeit Gods:

**Counterfeit Gods** Timothy Keller, 2011-10-04 New York Times bestselling author of *The Prodigal Prophet* and nationally renowned minister Timothy Keller exposes the error of making good things ultimate in this book and shows readers a new path toward a hope that lasts. Success, true love, and the life you've always wanted. Many of us placed our faith in these things, believing they held the key to happiness, but with a sneaking suspicion they might not deliver. No wonder we feel lost, alone, disenchanted, and resentful. There is only one God who can wholly satisfy our cravings, and now is the perfect time to meet Him again, or for the first time. In *Counterfeit Gods*, Timothy Keller shows how a proper understanding of the Bible reveals the unvarnished truth about societal ideals and our own hearts. This powerful message cements Keller's reputation as a critical thinker and pastor and comes at a crucial time for both the faithful and the skeptical.

**Counterfeit Gods** Timothy Keller, 2010-09 The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller uses classic Bible stories to look at the issue of idolatry, from the worship of actual idols in the Old Testament to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Keller cuts through our dependence on the glittering false idols of money, sex, and power to uncover the path towards trust in the real ultimate God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, *COUNTERFEIT GODS* is a powerful look at the temptation to worship what can only disappoint and is a vital message in today's current climate of financial and social difficulty.

**Summary of Timothy Keller's Counterfeit Gods** Everest Media, 2022-06-30T22:59:00Z Please note: This is a companion version, not the original book. **Sample Book Insights**

- 1 The pursuit of happiness is what most people spend their lives doing. But getting your heart's deepest desires might be the worst thing that ever happens to you. Under the pressure of fame and celebrity, your character flaws and miseries become twice as bad as they were before.
- 2 The Bible is filled with stories about people who have fallen victim to the desire to achieve their heart's deepest desire. Every counterfeit god a heart can choose: love, money, success, or power. Each has a biblical narrative that explains how that particular kind of idolatry works out in our lives.
- 3 The Bible says that God called Abraham to leave everything he knew and loved to go to a land that he would show him. But it took decades of waiting for Abraham and his wife Sarah to have a son. When they did, they were overjoyed, but they still didn't fully trust God.
- 4 The birth of Isaac did not solve all of Abraham's problems. Many couples who long for a child believe that having a child will solve all their problems, but that is rarely the case.
