Types of Theft

Stealing and **theft** have the same meaning, more or less. However, **stealing** is a more general term, and **theft** is a more formal legal term. A **thief** is a person who commits **theft**. There are many different types of **theft**.

- pickpocketing:** secretly stealing items, usually money or valuables, from a person's pockets or bag.
- robbery:** stealing from a person/place (a bank, post office, etc.) by force, violence, or threat of violence.
- burglary:** entering a building **secretly**, usually a home or business, to steal money or other things.
- shoplifting:** taking something from a shop without paying for it.

Steal vs. Rob:

Remember that **stealing** is a general term meaning to take something that doesn't belong to you, while **robbery** includes the use of force, violence, or the threat of violence. However, there is also another difference when we are using the verbs.

- We steal **things** (from places or people): *He stole money from the woman/bank.*
- We rob **places or people**: *He robbed the woman/bank.*

Race, Recognition and Retribution in Contemporary Youth Justice Esmorie Miller, 2021-12-30 *Race Recognition and Retribution in Contemporary Youth Justice* provides a cross national sociohistorical investigation of the legacy of racial discrimination which informs contemporary youth justice practice in Canada and England The book links racial disparities in youth justice especially exclusion from ideologies of care and notions of future citizenship with historical practices of exclusion Despite the logic of care found in both rehabilitative and retributive forms of youth justice Black inner city youth remain excluded from lenience and social welfare considerations This exclusion reflects a historical legacy of racial discrimination apparent in the harsher sanctions levied against Black innercity youth In exploring race's role in this arrangement the book asks To what extent were Black youth excluded from historic considerations of the lenience and social care built into the logic of youth justice in England and Canada To what extent are the disproportionately high incarceration rates for Black inner city youth in the contemporary system a reflection of a historic exclusion from considerations of lenience and social care How might contemporary justice efforts be reoriented to explicitly prioritize considerations of lenience and social care ahead of penalty for Black inner city youth Examining the entrenched structural continuities of racial discrimination the book draws on archival and interview data with interviewees including professionals who work with inner city youth In concert with the archival and interview data the book offers the intractability malleability I M thesis an integrated social theoretical logic with the capacity to expand the customary analytical scope for understanding the

contemporary entrenched normalization of racialized youth as punishable The aim is to advance a historicized account exploring youth s positioning as constitutive of a continuity of racialized peoples in general and youth s in particular historic exclusion from the benefits of modern rights including lenience and care The I M logic takes its analytical currency from a combined critical race theory CRT and recognition theory The book argues that a truly progressive era of youth justice necessitates cultivating policy and practice which explicitly prioritizes considerations of lenience and social care ahead of reliance on penalty This multidisciplinary book is valuable reading for academics and students researching criminology sociology politics anthropology critical race studies and history It will also appeal to practitioners in the field of youth justice policymakers and third sector organizations
