Cross Bones Kathy Reichs, 2016-04-12 A gripping and explosive thriller from internationally acclaimed forensic anthropologist and New York Times bestselling author Kathy Reichs featuring Temperance Brennan and Detective Andrew Ryan on the trail of a modern murder and an ancient biblical mystery Examining a badly decomposed corpse is de rigeur for forensic anthropologist Temperance Brennan But when an Orthodox Jewish man is shot in Montreal and Tempe is called to the scene she discovers puzzling damage on the body that suggests it was no ordinary murder When a stranger slips Tempe a photograph of a skeleton unearthed at an archaeological site she soon uncovers chilling ties between the dead man and secrets long buried in the dust of Israel With Detective Andrew Ryan Tempe plunges into an international mystery as old as Jesus that centres on the supposed discovery of Christ s tomb But each breakthrough raises more radical questions and the stakes mount ever higher Has a mastermind lured Tempe into an elaborate hoax Or is there some truth in the swirling controversy If so Tempe may be on the brink of rewriting two thousand years of history if she can survive the foes dead set on burying her first

**Cross Bones** Kathy Reichs, 2006-05-23 Receiving mysterious clues about a shooting murder in Montreal Tempe Brennan wonders if the victim may have been a Jewish black market antiquities trader and embarks on a dangerous investigation in Israel

**Break No Bones** Kathy Reichs, 2012-02-29 A gripping Temperance Brennan novel from world class forensic anthropologist Kathy Reichs the international 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones* Dr Temperance Brennan and her students are working on a site of prehistoric graves on an island near Charleston South Carolina when a decomposing body is uncovered in a shallow grave off a lonely beach The bone is fresh and the remains are still topped by wisps of hair it s a recent burial and a case Tempe must take Tempe determines that the deceased is a middle aged white male but who was he Why was he buried in a clandestine grave And what does an unusual vertical fracture of one of the vertebrae signify Before long another body is discovered and Tempe finds herself drawn deeper into a shocking investigation which will challenge her entire view of humanity

Many of the world s greatest thriller writers are huge fans of her work Kathy Reichs writes smart no make that brilliant mysteries that are as realistic as nonfiction and as fast paced as the best thrillers about Jack Reacher or Alex Cross JAMES PATTERSON One of my favourite writers KARIN SLAUGHTER I love Kathy Reichs always scary always suspenseful and I always learn something LEE CHILD Nobody does forensics thrillers like Kathy Reichs She s the real deal DAVID BALDACCI Each book in Kathy Reichs s fantastic Temperance Brennan series is better than the last They re filled with riveting twists and turns and no matter how many books she writes I just can t get enough LISA SCOTTOLINE Nobody writes a more imaginative thriller than Kathy Reichs CLIVE CUSSLER

**Secret Scrolls** Robert M. Price, 2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought

to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls
